

## ASSOCIATE OF SCIENCE -- General Academics

2023-2024

The Associate of Science degree is designed for students planning to transfer to a four-year institution to pursue a bachelor degree in areas such as engineering, math, or science. Students should meet with an academic advisor to select courses appropriate for the intended four-year college and major.

Most courses in this degree plan are available online. Some science courses may only be offered on the MCC campus due to required laboratory.
