Steps to Getting Started
There are many options to help you plan your courses and earn your degree. Here are 2 steps to get you started:

1. View Your Progress
Start by going to My Progress to see your academic progress in your degree and search for courses.

Go to My Progress

Figure 1

7. You will see a graphical chart providing you with a glance of your degree completion (Figure 2)
   a. Click “Show Program Notes” to view other required courses

Figure 2

8. Scroll down and find the course you would like to add
   a. Red indicates that courses are not started or attempted
   b. Yellow indicates that courses are planned or registered for, but have not started
   c. Green indicates that courses have been completed or are in-progress
9. Click the course title (e.g., COMM-1307)
10. On the course page that loads, click “Add Course to Plan” (Figure 3)

Figure 3

11. You will need to select a term and then click “Add Course to Plan” (Figure 4)
12. If successful, you will receive a green notification at the top of your screen, otherwise you will receive a red error notification with specific instructions (Figure 5)

13. Click “My Progress” to return to your required course list and repeat the process until you have selected the courses you want to take for the semester you are registering (Figure 6)

14. Once you have added all courses to your plan, click “Plan & Schedule” (Figure 7)
15. Ensure you are viewing the proper semester to see the courses you have added to your plan (*Figure 8*)
