Revised 11/16/2017
The Alternative Teacher Certification Advisory Committee will assist McLennan Community College in maintaining the Alternative Teacher Certification program current in order to meet the teacher labor market demands for this region and the needs of the educator candidates. The broad purposes of the committee are 1) to help the college document the need for the Alternative Teacher Certification program; and 2) to ensure that the program has both adequate resources and a well-designed curriculum to provide educator students with the skills, knowledge, and behaviors necessary to successfully meet the needs of private and public independent school districts.

Functions of an advisory committee include:

1. Meeting once a year;
2. Evaluating the goals and objectives of the program curriculum;
3. Establishing workplace competencies for the program;
4. Suggesting program revisions as needed;
5. Evaluating the adequacy of existing college facilities and equipment;
6. Advising college personnel on the selection and acquisition of new equipment;
7. Identifying local business/industry leaders who will provide educator candidates with external learning experiences, employment, and placement opportunities;
8. Assisting in the professional development of the faculty and educator candidates;
9. Assisting in promoting and publicizing the program to the community and to business and industry; and
10. Representing the needs of educator candidates from special populations.

The Advisory Committee shall be composed of persons who broadly represent the demographics, including the ethnic and gender diversity, of the college’s service area as well as the demographics of the teacher education field. Committee members should be knowledgeable about the skills used in the teaching field for which they are providing information and guidance.

Full-time staff of the college offering the program will serve in an ex-officio capacity of the Advisory Committee.

The Advisory Committee must meet in person a minimum of once a year and should, if possible, have a quorum present. However, contact with the members shall be maintained throughout the year via e-mail, fax, phone, or videoconference.

A meeting agenda will be provided at the beginning of each meeting. Official minutes will be recorded on paper of all meetings.

The minutes must include:

1. Identification of committee members (name, title, and affiliation);
2. An indication of the committee members’ presence or absence from the meeting;
3. The names and titles of others present at the meeting;
4. Summary of meeting discussion; and
5. The signature of the recorder.

PROGRAM TIME LIMIT

Effective August 1, 2010, once an individual is accepted into the MCC Alternative Teacher Certification program, he/she has three years from the date of acceptance to complete the program. The Program Director can drop students from the program in less than the three-year period if the student is not demonstrating progress in his/her certification.

STUDENTS DROPPED FROM PROGRAM

Students dropped from MCC’s ATC program for not meeting the three-year program requirement, not making adequate progress in the program, or for reasons determined by either the Program Director or the Admissions, Discipline and Review Committee, will have to reapply for the program. The Program Director can make exceptions to this requirement (considering how long the student was dropped, reason for being dropped, etc.)

REGISTRATION DEADLINES

Registration deadlines exist for all Alternative Teacher Certification classes. These deadlines vary from year to year. If registration deadlines are not met, students will have to wait until the next available course offering to register for the class. It is highly recommended that registration be complete, with the appropriate payment made, before the class begins. Candidates will be informed of specific deadlines that exist.

PAYMENT DEADLINES

Candidates may use MCC’s installment plan for classes that are offered during the fall, spring, and summer semesters. All accounts must be settled before the candidate is recommended either for probationary or standard certification. These accounts must also be settled with the Business Office before the candidate is allowed to enroll in the next required class. Accounts must be settled before specific dates during course work or the student will be dropped from the class. These dates vary from one semester to the next.

FINANCIAL OBLIGATIONS

All records, grades, and other official documents of students with unpaid financial obligation(s) to the College will be held until such obligations have been met, and such candidates shall not be allowed to re-enroll without special approval of the Vice President—Finance and Administration. There is a service charge for each returned check.

Revised 11/16/2017
PPR TESTING/CONTENT TESTING

Candidates must pass the state required pedagogy and content tests before they can be Standard Certified. Candidates must pass their content state test before being considered qualified to teach. If a candidate switches levels or areas of specialization during the program, additional course work will be required. Candidates need to email the Program Director requesting approval to test in either content or pedagogy. The email must include the student’s TEA number and the test that is being requested. The candidate may register for the test online at http://www.texas.ets.org after the Director posts the approval on the TEA Website. Students may be encouraged to take a Practice Test before registering for the test. All candidates are required to pass their content and pedagogy courses before they can be Standard Certified.

A candidate can retake an examination 4 times after the initial test attempt. This means that individuals can take the state exam for the first time (initial test attempt) and if the person does not pass, he/she only has four more times to try to pass the test. After the fourth attempt, the person can no longer be given test approval. A candidate can submit a Waiver Request Form to the Texas Education Agency for an additional attempt if the candidate can demonstrate good cause.

The state test fees, at this time, are $136 and the ancillary fee, e.g. late registration and core review fees, will increase by $5, and the test cancellation fee will increase to $65. The $5 ancillary fee increase also applies to the Core Subjects individual subject tests, changing the test fee from $60 to $65.

ATTENDANCE/ABSENCES POLICY

Regular and punctual attendance is expected of all educator candidates, and each instructor shall maintain a complete record of attendance. Candidates will be counted absent from class meetings missed, beginning with the first official day of classes. Candidates, whether present or absent, are responsible for all material presented or assigned for a course and will be held accountable for such materials in the determination of course grades. Although candidates are strongly encouraged to attend all their classes, candidates are allowed to miss one (1) internship class with no penalty assessed. Candidates who miss two (2) internship classes for any reason will be required to attend a make-up session to receive credit for the class. Candidates who miss three (3) or more internship classes for any reason will receive a grade of “F” in the class and the course will be repeated at the student’s expense. Instructors will notify the candidate at the first class meeting as to how many absences are allowed in the content courses, usually it is two class periods in the fall and spring and one class period in the summer.

TARDY POLICY

Revised 11/16/2017
Candidates are strongly encouraged to be in class on time. In internship courses, candidates who are fifteen (15) minutes late to class will receive a tardy. In addition, if a candidate leaves class fifteen (15) minutes before class is dismissed, he/she will also receive a tardy. Three (3) tardies will be counted as an absence. If a candidate is thirty (30) minutes or more late to class, he/she will receive an absence for that class meeting. In addition, if a candidate leaves class thirty (30) minutes or more before class is dismissed, he/she will receive an absence. Teachers in content courses will notify the candidates at the beginning of their class their policy for counting a candidate tardy.

Each educator candidate in the program must sign the following Candidate Agreement found on the program’s application form:

Revised 11/16/2017
**TEACHER INTERNSHIP (ALL LEVELS)**

Candidates must pass the content test to qualify for a teaching position. Most school districts will require the passing of the content and pedagogy state tests. Students are highly encouraged to take and pass both tests. The program has a part-time employee that helps students with their practice tests and tutors students. The cost of internship is determined by the passing of the state tests and the number of observations required by the state. Intern Teachers that pass both the content and pedagogy state tests will pay $700 each semester for his/her internship classes. Those interns will be observed three times a year. The Intern Teachers that pass only the content test will pay $1,000 each semester for his/her internship classes. Those students will be observed five times a year. The program will continue to provide assistance and guidance throughout the first year of teaching in a Texas school. Internship begins after the candidate has accepted a teaching position with an accredited school district. Over the course of a full school year, the candidate (Intern) will work with the campus principal, an assigned School Mentor, and a Field Supervisor.

The clinically supervised intern class experience is designed to help the new teacher by providing assistance and guidance while the Intern is actually teaching. McLennan Community College’s Alternative Certification Program is a highly supervised experience for all interns.

**All Alternative Teacher Certification candidates must take the internship as soon as possible after they accept a teaching position. The Internship must preferably be taken in consecutive semesters.** Candidates approximately teach/work 183 days x 7 hours = 1,281 hours a year or 640.5 each semester; plus, the internship classes meet 15 contact hours a semester (total of 30 semester hours).

MCC will continue to provide support for internship candidates after a full year of internship if:

- Standard Certification is not attained;
- Poor observation/evaluations by Field Supervisor and/or appropriate school personnel was received; or
- Recommendation by appropriate school personnel and/or MCC personnel that another semester/year of internship would benefit the intern.

Candidates who fall into one or more of the categories listed above will be required to re-enroll for an additional semester/year of internship at the candidate’s expense. Support services will be provided for students while enrolled in Internship III. Interns having difficulty in passing their state exams will be required to attend tutorial sessions before another approval to test will be given.

**CLINICAL/STUDENT TEACHING**

Candidates who are not able to obtain an internship while enrolled in the Alternative teacher Certification program or candidates who prefer to do clinical/student teaching in
lieu of an internship may pursue their standard teaching certification in this manner. The practicum may be pursued after a student in the program completes the Pedagogy and Professional Responsibilities and Content classes, and passes the necessary state exams. This program is designed to maximize teaching and learning for the participant in the appropriate grade level and content work as the candidate enhances their knowledge and skills through field-based experiences. The clinical/student teaching assignment will be 14 weeks in length preceded by a one-week pre-practicum training period using program-related curriculum. The 14-week clinical/student teaching assignment will progress from observing to assisting, planning, teaming, and having the full responsibility of the classroom.

Students who choose clinical teaching need to submit an application, sign an agreement with the certification program, and complete a Clinical Teaching Application Form. School Districts would sign a Confirmation of Placement Form, assign a Cooperating Teacher during the clinical/student time and agree to provide appropriate staff development as needed by the clinical teacher.

CERTIFICATION/FINGERPRINTING

As soon as a candidate secures a teaching position, they must apply for probationary certification by going online to the Texas Education Agency (TEA) website at http://www.tea.texas.gov. The candidate must also complete the fingerprinting process. The fingerprinting requirement must be complete before a valid certificate is issued. The probationary status on the certificate must be removed within 3 years of issuance or the student will never be eligible to teach in the state of Texas. Application for Standard Certification will follow as soon as the candidate has completed and passed all the state required exams. The probationary certificate must be renewed/extended each year with TEA until a standard certificate is issued.

SCHOOL MENTORS

Each campus principal will assign a School Mentor to students enrolled in the internship class, once they have secured a teaching position. It is the responsibility of the School Mentor to do the necessary evaluations, paperwork and hold the necessary conferences with the intern. These mentors serve the interns for a period of two semesters and provide valuable feedback and suggestions while enrolled in the internship class. The department pays a stipend for School Mentors to assist interns on a daily basis. The School Mentor does evaluations and conferences with the intern as well as a checklist to monitor intern’s progress. Interns are required to observe their School Mentor. Evaluations are documented and the documentation is turned in to the Internship Instructor. School Mentors must complete the necessary paperwork for McLennan Community College so payment to the School Mentor can be made. School Mentors may be changed during the year when these requirements are not met.
FIELD SUPERVISORS

Field Supervisors are required to conference with administrators and School Mentors as they complete a year-end certification recommendation. MCC has experience in working with interns who have failed to show signs of improvement in their classroom during the internship year and Interns identified as needing an Intervention Plan or Professional Growth Plan that outlines areas in need of improvement with a timeline for implementation. This area where improvement is needed will be shared with the school mentor so they can further support the intern in the improvement process.

DEFICIENCY PLANS

McLennan Community College’s Alternative Teacher Certification may provide a Deficiency Plan for an individual who seeks certification while teaching in a school. The Program Director will prepare a Deficiency Plan using the following guidelines:

1) The applicant has been accepted as a candidate in the Alternative Teacher Certification Program;
2) The applicant is working on making progress in completing the PPR and Content classes and passing both State required tests in their content area; and,
3) The applicant does not owe any financial obligations to the college.

FMLA STATEMENT

During Internship, an eligible Intern Teacher may take up to 12 weeks of unpaid family/medical leave within a 12-month period for certain family and medical reasons as specified under the Family and Medical Leave Act (FMLA) of 1993. An eligible Intern Teacher is entitled to FMLA leave under the following circumstances:

1. for the birth of a child, and to care for the newborn child;
2. for placement with the employee of a child for adoption or foster care;
3. to care for the employee’s spouse, child(ren) or parent with a serious health condition; and
4. because of a serious health condition that makes the employee unable to perform the functions of the employee’s job.

Leave must be worked out between the Intern Teacher and the employing school district. The Intern Teacher must file a letter informing the MCC ATC office prior to the leave.

TRANSFER STUDENTS

A candidate will be accepted into McLennan Community College’s Alternative Teacher Certification program as a transfer student after proof is shown that he/she is released.
from the previous alternative program and documentation for all prior course work, up-
to-date assessment tests, State tests, certification/permit and/or other teaching history,
contract information, etc., while being a candidate in the previous program is provided to
the Alternative Teacher Certification office. However, a Student Completer from
another certification program cannot transfer according to TEA policy.

COURSE SYLLABUS

A syllabus is given to candidates by their instructors at the beginning of each course.
The syllabus outlines the objectives of the course, the assignments, special projects,
grading policy, and any other important information the instructor feels candidates need.

GRADE APPEAL POLICY

A candidate may appeal a grade within a period of one year from the day the class
ends. Questions regarding potential grade errors should be directed to the Alternative
Teacher Certification Program Director. Grade changes may be made by the instructor
of record only, or, in the absence of the instructor, the Program Director. Grade appeals
will not be considered after one year.

TRANSCRIPT REQUESTS

Requests for official Alternative Teacher Certification program transcripts must be sent,
in writing, to the Alternative Teacher Certification office.

CLASS-RELATED PROBLEMS

A candidate having problems directly related to a class should first talk with the
instructor. If the problem is not resolved, the candidate may talk to the program director,
then to the Dean, Workforce and Public Service.

ADMISSIONS/DISCIPLINE/REVIEW COMMITTEE

The Admissions/Discipline/Review Committee will be responsible for assisting in
decisions regarding admission, discipline, and program review issues that occur. The
following individuals compose the committee:

Dr. Drew Canham, Vice President, Student Success
Dr. Cynthia Morris, Instructor, Social Sciences Department
Dr. Bill Matta, Director, Language, Literature, & Communication
Dr. Frank Graves, Dean, Workforce and Public Service

Revised 11/16/2017
DRESS POLICY

Candidates of the College, while on campus and/or participating in any function or activity of the College, are expected to meet acceptable standards of dress and personal hygiene.

A candidate’s dress or personal hygiene shall be considered unacceptable if it inhibits or interferes with the educational responsibility of the college community or if it disrupts the administrative functions of the College, including social-educational activities.

COMPLAINTS REGARDING PROGRAM

COMPLAINTS

In this policy, the terms “complaint” and “grievance” shall have the same meaning.

INFORMAL PROCESS

The Alternative Teacher Certification program encourages interns to discuss their concerns and complaints through informal conferences with their program staff. Concerns should be expressed as soon as possible to allow early resolution at the lowest possible administrative level.

FORMAL PROCESS

If an informal conference regarding a complaint fails to reach the outcome requested by the candidate, he or she may initiate the formal process described below by timely filing a written complaint form.

Even after initiating the formal complaint process, a candidate is encouraged to seek informal resolution of his or her concerns. A candidate, whose concerns are resolved, may withdraw a formal complaint at any time.

GENERAL PROVISIONS FILING

Complaint forms and appeal notices may be filed by hand-delivery, email, fax, or U.S. Mail. Hand-delivered filings shall be timely filed if received by the appropriate administrator or designee by the close of business on the deadline. Emails shall be timely filed if they are date and time marked on or before the deadline. Fax filings shall be timely filed if they are received on or before the deadline, as indicated by the date/time shown on the fax copy. Mail filings shall be timely filed if they are postmarked by U.S. Mail on the deadline and received by the appropriate administrator or designated representative no more than three days after the deadline.

RESPONSE

At Levels One and Two, “response” shall mean a written communication to the candidate from the appropriate EPP staff. Responses may be hand-delivered or sent by U.S. Mail or emailed to the candidate’s email or mailing address of record. Mailed responses shall be timely if they are postmarked by U.S. Mail on the deadline and received by the candidate no more than three days after the response deadline.

Revised 11/16/2017
DAYS

“Days” shall mean program business days. In calculating time lines under this policy, the day a document is filed is “day zero,” and all deadlines shall be determined by counting the following day as “day one.”

GENERAL PROVISIONS

Complaints arising out of an event or a series of related events shall be addressed in one complaint. Candidates shall not bring separate or serial complaints arising from any event or series of events that have been or could have been addressed in a previous complaint. When two or more complaints are sufficiently similar in nature and remedy sought to permit their resolution through one proceeding, the program may consolidate the complaints.

UNTIMELY FILINGS

All time limits shall be strictly followed unless modified by mutual written consent. If a complaint form or appeal notice is not timely filed, the complaint may be dismissed, on written notice to the candidate, at any point during the complaint process. The candidate may appeal the dismissal by seeking review in writing within ten business days, starting at the level at which the complaint was dismissed. Such appeal shall be limited to the issue of timeliness.

COSTS INCURRED

Each party shall pay its own costs incurred in the course of the complaint.

COMPLAINT FORM

Complaints under this policy shall be submitted in writing on a form provided by the program. Copies of any documents that support the complaint should be attached to the complaint form. If the candidate does not have copies of these documents, he/she may be presented at the Level One conference. After the Level One conference, no new documents may be submitted unless the candidate did not know the documents existed before the Level One conference.

A complaint form that is incomplete in any material aspect may be dismissed, but it may be refiled with all the requested information if the refiling is within the designated time for filing a complaint.

AUDIO RECORDING

As provided by law, a candidate shall be permitted to make an audio recording of a conference under this policy at which the substance of the candidate’s complaint is discussed. The candidate shall notify all attendees present that an audio recording is taking place.

LEVEL ONE

Complaint forms must be filed:
1. Within 15 days of the date the candidate first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance; and
2. With the direct supervisor.

The direct supervisor shall hold a conference with the candidate within ten days after receipt of the written complaint. The direct supervisor shall have ten days following the conference to provide the candidate a written response.

LEVEL TWO

If the candidate did not receive the relief requested at Level One or if the time for a response has expired, the candidate may appeal the decision to the program’s legal authority.

The appeal notice must be filed in writing, on a form provided by the program, within ten days after receipt of a response or, if no response was received, within ten days of the response deadline at Level One.

The program’s legal authority or designee shall inform the candidate of the date, time, and place of the meeting at which the complaint will be discussed. The direct supervisor shall provide the program’s legal authority with copies of the complaint form, the response at Level One, the appeal notice, and all written documentation previously submitted by candidate. The program’s legal authority shall consider only those issues and documents presented at the preceding level and identified in the appeal notice. The program’s legal authority must provide written notice of the decision to the candidate.

The EPP must retain information concerning the complaint for a minimum of three years. After the candidate has exhausted all attempts at the program level to resolve a complaint that occurred within the past two years and has not received the relief sought, information on how to file a complaint with TEA can be secured from the EPP by information posted at their physical facility, on their website or, upon request, directions in writing.

The official TEA complaint process can be found at www.tea.texas.gov in the banner located at the bottom of the page and then select “Educator Preparation Programs”.

LEVEL THREE

The complaint process allows for an applicant or a candidate in an educator preparation program to seek redress in areas where they feel that the program did not fulfill requirements for certification or for actions that the candidate feels are wrong. Educator preparation programs may also file a complaint about the actions of other programs when it involves a candidate transferring into a program.

Not all complaints fall under the authority of TEA. TEA has jurisdiction to investigate allegations of noncompliance regarding specific laws and rules, generally related to state and federal requirements. Complaints may address educator preparation program requirements listed in Texas Administrative Code (TAC) in Chapters 227, McLennan Community College’s Alternative Teacher Certification 228, 229, ethics (TAC 247), fingerprinting (TAC §§227,232 and certification (TAC §§230, 231, 232, 239, 241, 242)

All complaints filed with the TEA must be in writing. We do not accept complaints by phone or complaints that are submitted anonymously. A person or entity may file a written complaint with TEA by filling out the complaint form online or by mailing or faxing a hard copy to the address on
the form. You may fax your submission to (512) 463-9008 or email it to generalinquiry@tea.texas.gov.

To adequately review and address a complaint, TEA needs specific details. We must be able to identify a clear violation of TAC and determine whether the agency has authority to act upon the allegation.

Complaints submissions should include the following:

☑ The reasons you believe the issues raised in your complaint are valid. You should also indicate how you believe that TEA can assist you with this matter. Remember that TEA cannot assist you in understanding your contractual arrangement with the educator preparation program, arranging for a refund, obtaining a higher grade or credit for training, or seeking reinstatement to an educator preparation program.

☑ Documentation to support your claim when possible. For example, if you refer in your complaint to an educator preparation program policy, include a copy of the policy with your complaint. Helpful documentation might include letters or e-mails exchanged between the parties.

Texas Education Agency staff will send confirmation of a complaint within 30 days of receiving the submission. Remember, information the public sends to TEA by email may not be secure. Do not email sensitive information to TEA. The agency will remove confidential or sensitive information when replying by email. TEA will maintain confidentiality of information to the extent the law allows.

Campus Police are located at various places on campus. The Waco Police Department also may be notified in emergency situations by dialing “9911” from any campus phone.

In All Emergencies

If it is safe to do so, candidates should take personal belongings (car keys, purse, backpack, coat, etc.) with them. Candidates may not be allowed back into the building for some time. As a daily routine, candidates should consider positioning all items they may take with them so they are secure but quickly accessible.

  - Suspicious activity
  - Theft
  - Vandalism
  - Threats, arguments, verbal abuse
  - Family/domestic violence
  - Assaults

If it is safe to do so, follow directions of college employees to relocate to one of the gathering areas outside the building. Be aware of disabled persons who may need assistance.

When the Fire Alarm Sounds

1. Be aware of disabled staff, students or visitors who may need assistance.
2. Stryker-Evacuation chairs are available in stairwells of multi-level buildings. Instructions are attached to the chair.
3. If it is safe to do so, take personal belongings. Leave the area by means of the primary evacuation route. Maps are posted in hallways near stairwells and elevators. If this exit is blocked, use the secondary or alternate route or exit. Become familiar with routes for all classrooms and areas you frequently use.
4. Once outside the building, move at least 500 feet away from the building and await instructions from campus officials.
5. Do not re-enter the building for any reason until officials give the “all clear.” Keep all fire lanes, streets and service roads clear for Fire Department vehicles.

Revised 11/16/2017
Active Shooter Incidents

- The following guidelines are emergency actions that can be taken in the event an armed individual enters the area and starts shooting.
- If possible, exit the building or area immediately.
- Notify others you encounter of the danger.
- Call 8911 for help.
- Inform the dispatcher of the following:
  That there is an emergency
  The location of the incident
  What is happening
- How many people are involved (victims and shooters)
- Your name, location, and phone number
- The dispatcher may ask you to remain on the line until officers arrive on the scene. Be sure you are in a safe location.

Severe Weather

There are two types of Severe Weather Alerts:
- Watch: Public notification that weather conditions exist that could lead to a warning.
- Warning: An alert from the National Weather Service confirming the occurrence of a severe weather event and the time, location, speed, and direction of movement.

If severe weather is imminent:
- An MCC myAlert notification will be sent.
- Remain calm. Do not exit the buildings!
- Notify people in your immediate area to quickly move away from exterior glass doors and windows.
- Proceed to an area designated as a “Tornado Shelter” on maps posted inside buildings. Remain there until the “All Clear” is given by MCC officials.

Tornado shelters are indicated in blue on maps located near stairwells and elevators in all campus buildings.

Inclement Weather

Inclement weather events occur when ice and snow impact the operations of the college. The college may take the following actions in response to inclement weather:
- **Early Dismissal**: If Winter Weather Advisories, Watches, or Warnings have been issued by the National Weather Service, the college may suspend operations and dismiss students and staff.
- **Delayed Openings**: If ice and snow has occurred during the overnight hours, a determination will be made on the current conditions of roads and campus sidewalks/steps. If conditions are marginal but will improve in the morning hours,
the college may open later in the morning hours to allow improvement of the roadways and college crews time to treat the campus sidewalks and steps.

- **Cancellation of Classes**: Current weather conditions that may not improve and permit students and employees to arrive in a safe and timely manner may result in the cancellation of classes and college operations.

The notification process will occur as follows

- **Early Dismissal**: An MCC myAlert notification will be sent. Signs will be posted on all building entrance doors advising of the closure.

- **College Closing**: If you suspect a college closing due to inclement weather, check the MCC home page (www.mclennan.edu), which will display a notification of any closings or delays. If there is no notice posted, then classes are in session and offices are open as usual.

In order to receive information instantaneously, sign up for MCC myAlert at https://www.mclennan.edu/myalert. By enrolling in MCC myAlert, MCC can quickly pass on safety-related information regardless of your location.

You also may refer to announcements on local television stations’ Web sites, such as www.kwtx.com, www.kcentv.com or www.kxxv.com, or on local radio stations in the event that the MCC website is not operational.
