

Nursing Options

CNA, LVN, RN,
LVN to BSN, RN to BSN,
MSN & DNP

McLennan offers two nursing programs.
With both, you have several career options and opportunities to continue your education.

Vocational Nursing is a one-year certificate program to become a Licensed Vocational Nurse.

Associate Degree Nursing is a two-year degree program to become a Registered Nurse.

Graduates of the LVN program may apply to transfer into the last year of the ADN program or apply to Tarleton's LVN to BSN program to become a Registered Nurse.

Graduates of the ADN program can apply to Texas Tech's RN to BSN program
