- RNSG 1163 LVN Transition Clinical
- BIOL 2402 Anatomy and Physiology II

### TOTAL SEMESTER HOURS

**REMARKS:**

________________________________________________________________________________

**ADVISOR:**

*Course completed*
**NURSING: RN**

* A grade-point average of at least 2.0 in the full nursing curriculum and a grade average of C or better in all courses will qualify the student to receive the Associate in Applied Science Degree and to make application to write the National Council Licensure Examination for Registered Nurses.

** Prerequisite for Level III: Students may also enroll in Level III courses if they successfully complete the Transition courses with a grade of C or better and credit for the clinical course. Successful completion of the transition courses gives students credit for 15 semester hours of nursing from Level I and II. See the section entitled Advanced Standing for Licensed Vocational Nurses in the General College Catalogue for details regarding this path for entry into Level III.

I understand that this degree plan will be used to determine my eligibility for graduation. I further understand (1) any substitution of courses listed on this degree plan must be approved by my program director and it is my responsibility to see that a copy of this approval is placed on file in the Registrar's Office. (2) approval for course substitution will be listed on the back of this form; (3) I must earn sixty hours for an Associate in Applied Science degree from MCC.
