

Dual Credit Partnership Agreement, Homeschool August 1, 2024 – July 31, 2025

I. Parties

This Dual Credit Partnership Agreement ("Agreement") is entered into between McLennan Community College ("MCC") and a homeschool entity (referred to hereafter as "High School") and is designed to allow students attending the homeschool to earn dual high school and college credit by enrolling in MCC credit courses.

II. Purpose and Background

In accordance with the rules and regulations of the Texas Higher Education Coordinating Board (THECB), MCC offers regular college credit courses in Core Curriculum, Foreign Language, and Career and Technology for dual credit high school students. If the High School approves these college courses for dual credit, high school students meeting MCC admission requirements can enroll in these courses and receive college and high school credit simultaneously.

In order to ensure the quality of dual credit courses and to facilitate communications and understanding between the High School and MCC, the following provisions are agreed to by MCC and the High School through which dual credit courses are offered.

III. Statewide Goals for Dual Credit

Pursuant to Texas House Bill 1638 (85th Legislature, 2017), MCC and the High School set forth the following goals for dual credit programs in Texas, as prescribed by the Texas Higher Education Coordinating Board (THECB) and the Texas Education Agency (TEA).

1. GOAL 1: Create collaborative outreach efforts.
 - a. MCC will provide online information regarding the dual credit program, including contact information, eligibility requirements, the enrollment process, cost data, and potential benefits/risks of dual credit coursework.
 - b. MCC recruiters will collaborate with the High School to provide additional assistance to students and families seeking information or assistance with enrolling at MCC.
2. GOAL 2: Improve transition to and acceleration through postsecondary education.
 - a. The MCC dual credit program requires all new dual credit students to complete an online orientation to facilitate the transition to college coursework.
 - b. The dual credit program will collaborate with the High School to provide in-person or video conference orientation sessions upon request.
 - c. The program has identified a Transfer Block of courses that transfer well to Texas public colleges to encourage selection of courses that will apply to a four-year degree.
 - d. Dual credit students will be advised by MCC to enroll only in courses applicable to their selected degree plan.

3. GOAL 3: Provide college advising and student support services to promote success.
 - a. The MCC dual credit program requires all students who select courses outside of the Transfer Block, who plan to attend a private or out-of-state institution, or who have goals other than an AA, AS, or bachelor's degree to meet with a college transfer advisor each semester prior to registration.
 - b. All dual credit students will have access to drop-in college advising via regularly scheduled Zoom sessions, email, or by visiting the Dual Credit offices located on the first floor of the Michaelis Academic Center.
 - c. All support services at MCC are available to dual credit students. Note that the College provides online and in-person tutoring, library instruction, and success coaching to promote student success.
 - d. MCC and the High School will collaborate to encourage dual credit students to make use of support services available at the College.

4. GOAL 4: Ensure quality and rigor of dual credit courses.
 - a. MCC is committed to quality and rigor in its dual credit courses. As required by the THECB and the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC), the quality and rigor of dual credit courses shall be the same as courses taught at the college campus.
 - b. Dual credit faculty will meet the credentialing standards set by the THECB and SACSCOC.
 - c. Oversight of dual credit faculty and course content will occur according to the same standards and processes employed on the MCC campus.

5. TOOLS: Identify tools to assist students and families with selecting endorsements and dual credit courses as well as navigating the college process.
 - a. MCC will provide degree guides through the online [Student Planning](#) program as well as dual credit specific guides via the [High School Programs website](#).
 - b. The THECB provides the following tools.
 - 1) [College for All Texans](#)
 - 2) [Exploring College Options](#)
 - c. The TEA has made the following tools available to the public.
 - 1) [Graduation Toolkit](#)
 - 2) [CTE Pathways](#)
 - d. The Texas Workforce Commission provides tools to assist with career selection and education planning at <https://twc.texas.gov/students>.

Metrics associated with the state dual credit goals, such as students' future college enrollment and success, will be tracked by MCC's Office of Institutional Research and Effectiveness.

IV. Eligible Courses

1. Courses approved for MCC Dual Credit for a high school student must be foreign language, in the MCC core curriculum, in a state-approved Field of Study curriculum, in

V. Student Eligibility

1. High school students must meet all eligibility requirements set forth in the THECB Rules.
2. Eligible students may first enroll in dual credit courses in the fall semester of grade nine (9).

9. High school students taking MCC courses for dual credit will be treated as college students. It is expected that high school students taking MCC courses as dual credit will conduct themselves as college students. A collegiate classroom environment is expected. Controversial material may be addressed. The level of maturity of the high school student should be one of the criteria considered by high school officials prior to approving individuals for enrollment.

10. Dual credit students with less than a 2.0 grade point average (GPA) in MCC courses after completion of six (6) credit hours will be suspended from the program. MCC enrollment may resume after completion of the high school diploma or upon approval by MCC of a dual credit suspension appeal.

 - a. Early admission courses will be billed at the dual credit tuition rate.
 - b. All students will be responsible for the cost of textbooks, course materials, and technology needs for early admission courses.

- a. MCC will consider the use of free or low-cost open educational resources for courses as may be deemed appropriate by the faculty member and MCC.

VII. Student Composition of Class

1. Dual credit courses will be composed of dual credit students only or of dual and college credit students.

VIII. Instructional Calendar

1. Both MCC and the High School will maintain their own instructional calendars, to begin in August/September and continue through May/June.
2. Students who are enrolled in courses meeting on the MCC campus will be expected to attend classes even when the High School is not in session. Issues of transportation will need to be addressed and resolved by the student and/or High School. MCC will not be required to provide transportation.
3. Students enrolled in online dual credit courses will be expected to participate regardless of the High School calendar.

IX. Faculty Selection, Supervision and Evaluation

1. As required by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC), MCC controls all aspects of its educational programs. Each educational program for which academic credit is awarded is approved by the faculty and the administration. MCC will maintain qualified faculty who demonstrate the ability to deliver college-level course content with high quality and effectiveness.
2. In order to serve as an instructor of record at MCC, for freshman and sophomore level courses designed for transfer to a baccalaureate degree, faculty should have a minimum of a master's degree with at least 18 graduate hours in the discipline in which they are teaching. In appropriate areas, work experience, professional licensure, and certification are also considered. Degrees and graduate credit hours held by faculty members, whether full time or part-time, must have been earned at a U. S. regionally accredited institution. [SACSCOC, Principles of Accreditation, 3.7.1]

Included in this evaluation will be a determination of how well the faculty member performs in achieving the desired learning outcomes. The evaluation will be forwarded to the Vice President of Instruction for a decision regarding continued employment as an adjunct instructor for dual credit courses. [TAC 19, Part 1, Chapter 4, Subchapter D, §4.85 (e)(2)] [SACSCOC, Principles of Accreditation, 3.7.2]
6. The MCC Division Chair of the program area oversees instructional content for college courses taught for dual credit. All course content, learning outcomes, and instructional objectives will be consistent with courses taught on the MCC campus. All instructors must have a syllabus that incorporates instructional objectives and intellectual competencies posted on the MCC website, by the MCC deadline.
7. MCC is responsible for criminal background checks as required by applicable law on all persons teaching dual credit courses that are paid directly by MCC. MCC is responsible for ensuring that all such individuals have met acceptable standards under such background checks.

X. Location of Classes

1. Dual credit courses may be taught on the college campus or on the high school campus, or by distance education, including Internet delivery and/or blended courses. [TAC 19, Part 1, Chapter 4, Subchapter D, §4.85 (c)]

XII. Academic Policies

1. All academic policies applicable to courses taught on MCC campuses shall apply to dual credit high school students enrolled in face-to-face campus, distance education, and courses, as outlined in the MCC policies and catalog. [TAC 19, Part 1, Chapter 4, Subchapter D, §4.85 (g)(1)]
2. Students violating MCC policies relating to academic integrity will be subject to the consequences described in the course syllabus and the relevant MCC policies.

XIII. Student Services

1. Students taking college classes for dual credit may utilize the same services that are available to other MCC students. MCC is responsible for ensuring timely and efficient access to such services as academic advising, learning materials (e.g., library resources), and other services for which the student may be eligible. [TAC 19, Part 1, Chapter 4, Subchapter D, §4.85 (g)(2)]
2. Dual credit students are entitled to access online tutoring or face-to-face tutoring at no cost to the student.
3. Students seeking 504-type accommodations for dual credit courses will arrange for those services through the MCC Accommodations/Disability Services office. For details, please visit <http://www.mclennan.edu/disability/>.
4. Dual credit students 17 years of age will have access to mental health counseling on the MCC campus with parental consent. Dual credit students 18 years or older will not require parental consent for counseling services through MCC. Requests for mental health counseling made by students younger than 17 will be referred to the respective school counselor or behavioral intervention specialist for mental health counseling.
5. College Advising and Degree Plans:
 - a. Academic advising for MCC dual credit courses will be the responsibility of the High School Pathways Advisor, currently Ms. Abby Valenta. The High School Pathways Advisor may directly advise dual credit students or coordinate advising for students with other MCC academic advisors.
 - b. The High School counselor will be responsible for advising high school students on the alignment between the college and high school courses, for coordinating advising sessions with the MCC advisor, and for referring students to MCC academic advising when made aware a student's college plans may not align well with the High School dual credit course plan. The counselor will also be responsible for academic advising for high school coursework, endorsements, and high school graduation.
 - c. Dual credit students are required by state regulation to file a degree plan with the college no later than the end of the regular semester following the semester in which the student earned a cumulative total of 15 or more semester credit hours. Students entering MCC's dual credit program with 15 or more semester credit hours must file a degree plan by the end of the student's first regular semester at MCC. To satisfy the state requirement:
 - 1) High school students will select an initial program of study (degree plan) as part of the MCC admission process for the dual credit program.
 - 2) Programs of study will be updated as necessary following mandatory college advising meetings.
 - 3) Students who do not file a degree plan in accordance with state policy shall be notified the degree plan is required by law and will be required to meet with an MCC academic advisor in that same semester to select a degree plan.
 - 4) Students may not obtain an official transcript from MCC until the degree plan is filed.

- d. Dual credit students who adhere to the MCC Transfer Block, detailed below, will be permitted to enroll without a mandatory college advising visit. However, students are encouraged to seek college advising each semester.

- 1) to verify the correct degree plan/program of study has been registered at the college;
 - 2) to ensure course selection is consistent with the selected degree plan; and
 - 3) to discuss potential transition to a four-year institution of the student's selection.
- f. Students will be advised for dual credit courses based on self-identified career and educational goals. Students should not enroll in courses not appropriate for those identified goals, particularly in courses unlikely to transfer to the student's intended future college.
- g. MCC does not recommend students enroll in more than six (6) semester credit hours the first semester of dual credit.

- i. High school counselors are encouraged to participate in advising sessions with their students.
- j. Advising sessions may be scheduled on the high school campus, on the MCC campus, or online via video conference.
- k. Advising notes will be maintained in the MCC system for each student for future reference.
- l. Common terminology:
- 1) Applicable toward a degree: Refers to a course that will transfer to a school and apply toward a specific degree plan.
 - 2) Core curriculum: A basic set of course options required of all students at a particular institution; commonly refers to the Texas state core curriculum.
 - 3) Course transfer: Refers to whether or not a course will be accepted by another institution of higher education. It is possible for a course to transfer as an elective but not apply toward a specific degree plan.
 - 4) Degree plan: A detailed set and sequence of courses leading to a specified degree in a major.

- 5) Maximum time frame: A government stipulation that financial aid will only pay for 150% of coursework toward a post-secondary credential. Dual credit coursework applies toward this limit.
- 6) Satisfactory progress: A government requirement that high school graduates maintain a 2.0 or higher GPA and complete 67% or more of attempted courses to remain eligible for state/federal financial aid. Dual credit coursework may impact this status after high school graduation.

XIV. Student Conduct

1. Dual credit students will be subject to MCC student conduct rules, policies and procedures as set forth in the MCC *Highlander Guide* (Student Handbook) while on the MCC campus and/or while in attendance at MCC classes. Students may also be subject to High School student conduct policies as determined by the High School.
2. Failure to comply with MCC conduct policies may result in dismissal of the student from MCC courses.
3. MCC and the partner High School will cooperate in disciplinary issues to the extent possible. When not possible, each institution may impose separate student penalties according to its own policies and practices in matters related to discipline and academic integrity.
4. Disciplinary issues will be reported and addressed according to published college policy. High School employees who are not also employed by MCC may contact the MCC Conduct Office or the High School Pathways office for guidance in reporting an issue.
5. The High School will notify MCC of student behavioral issues that would impact a dual credit course, particularly in regards to matters concerning student safety. Please refer to section XXVIII Campus Assessment Response and Evaluation (C.A.R.E.) for *safety* purposes.
6. In the event High School disciplinary measures prevent a dual credit student from attending an MCC course, the student, High School, and MCC will consult regarding possible outcomes. If the student's absences will exceed 25% of course meetings, and if no satisfactory alternative can be found, the student will be withdrawn from the MCC course for disciplinary reasons.
7. In the event a conduct or academic-integrity-related visit to the high school is needed, the High School will facilitate a meeting between the student(s) in question and the appropriate MCC personnel. The MCC personnel will be expected to comply with the standard High School visitor screening process.

XV. Course Curriculum, Instruction, and Grading

1. The MCC Division Chair of the program area oversees instructional content for college courses taught for dual credit.

2. MCC shall ensure that a college course offered for dual credit at the high school and the corresponding course offered at the College are equivalent with respect to the curriculum, contact hours, course maximum, materials, instruction, and method/rigor of evaluation of student performance, regardless of student composition of the class. [TAC 19, Part 1, Chapter 4, Subchapter D, §4.85 (f)]
3. All MCC instructors must have a syllabus on file which incorporates the policy and procedure for learning outcomes, grading policies, and disability services.
4. Instructors shall follow MCC grading policies for awarding college credit.
5. Faculty will participate in providing information for the assessment of student learning outcomes as required by the Southern Association of Colleges and Schools Commission on Colleges. This includes, but is not limited to, the submission of summary scores/data where such information is needed for evaluating departmental success and the submission of student work for secondary evaluation by the division to ensure that relevant learning outcomes are achieved in any given course.

XVI. Grade Reports

1. MCC will provide grade reports for dual credit students each semester following the conclusion of the final exam period.
2. Grades will be reported via an unofficial college transcript that provides information regarding courses, letter and numeric grades, and cumulative GPA.
3. A minimum of two progress reports will be provided by MCC during each fall and spring semester for dual credit students. Reports will be sent to the high school counselor or designated dual credit contact for the High School.
 - a. Grade reports are compiled through an automated process that queries the Brightspace gradebook for each course. Grade reports may not be accurate for certain students/courses if course assignments are in process of being graded.
 - b. MCC recommends that high school counselors complete an academic wellness check with any student identified as having a low course grade to verify student status in a course.

XVII. Transfer of Courses

McLennan Community College is fully accredited by the SACSCOC, and basic academic, general education courses are readily transferable to other public institutions of higher education in Texas. However, since each college has its own policy regarding the transferability of courses, students are strongly advised to check with the college they plan to attend after high school, other than MCC, in order to determine the transferability of MCC courses.

CTE/Workforce education courses are not designed for transfer beyond the community college level. However, programs exist at some universities that allow these courses to be applied directly to baccalaureate degree requirements. Students are encouraged to check with prospective universities concerning programs such as the BAAS, BAT, and other similar programs.

XVIII. Academic Regulations

1. An MCC class minimum of fifteen (15) students is deemed necessary for a dual credit-only course section. Any exceptions will be approved by the Vice President of Instruction.
2. MCC courses offered as dual credit, regardless of where they are taught, follow the same college calendar, syllabus requirements, course outline, grading procedure, and other instructional and evaluative policies and procedures. [TAC 19, Part 1, Chapter 4, Subchapter D, §4.85 (g)(1)]
3. The Texas Education Code and SACSCOC do not allow for outside influence on college grading systems.
4. Letter grades are given in accordance with policies printed in the college catalog. Whenever possible, numerical grades will be provided to the high school counselor by the High School Pathways Office. Dual credit grades will be provided to the High School each semester the week following final exams.
5. In the event of a grade dispute, the MCC policy for grade appeals will be followed. Please see the MCC catalog and/or the *Highlander Guide*.
6. Per MCC policy, students who do not participate in a course by the census date will be dropped from the course by the professor.
7. Dual credit students may withdraw from a course and receive a grade of "W" at any time during the semester on/prior to the MCC official withdrawal deadline specified in the College Calendar located in the class schedule or catalog. After the MCC official withdrawal deadline, dual credit students will follow published MCC policy in regards to withdrawing from courses and the grade recorded for such courses. It is the student's responsibility to officially withdraw from a course or verify that the instructor initiated the withdrawal procedure.

XIX. Attendance and Funding

1. Students enrolled in college credit courses will follow current MCC attendance policies. Attendance will be taken at MCC based on the published College Attendance Policy.
2. State funding for college courses offered for dual credit will be available to both the High School and MCC based upon current funding rules of the State Board of Education and the Texas Higher Education Coordinating Board. [TAC 19, Part 1, Chapter 4, Subchapter D, §4.85 (i)(1)]

XX. Classroom Facilities and Technology

1. The High School agrees to provide MCC faculty and dual credit high school students with the facilities and technology necessary to support a college learning environment.
2. The High School will ensure MCC faculty and the dual credit students have access on High School devices and through High School Internet service to MCC email, Brightspace, Zoom, WebAdvisor, the MCC Library, and other software programs

approved by MCC for campus-wide use.

3. Dual credit students regularly need access to devices capable of running online exam monitoring programs and devices and/or Internet access unrestricted by the High School internet filter. In addition, some courses may require audio or video recording capability. Such access is vital for academic integrity measures, Internet-based course materials, research, and course projects. Student resources are available on the MCC campus to fulfill such needs should the student choose to implement them.
4. MCC recommends the High School assign students enrolled in online dual credit courses to a computer lab with a facilitator for at least one class period per day.

XXI. Data Sharing

Student records transferred between MCC and the High School shall remain the sole property of the institution that created the records. Data that is transferred must be used consistent with the Family Educational Rights and Privacy Act (FERPA), HIPAA, and High School and MCC policies and procedures for managing student education records and other confidential information.

The Parties expressly understand that MCC and the High School are subject to the requirements of the Texas Public Information Act. In the event that any student records must be released pursuant to state or federal law, as determined by a court or administrative agency with jurisdiction over the matter, the Parties shall continue to treat a confidential any student records received or created under this Agreement except to the extent specifically required by the court or administrative order. The Parties shall mark as “CONFIDENTIAL” all records that are released.

Additional details related to data sharing are specified in a separate, data sharing section of this agreement.

beyond either Party's reasonable control, including but not limited to acts of God; flood; fire; earthquake; explosion; order, requisition, or necessity of the government; war, invasion or hostilities (whether war is declared or not); terrorist threats or acts, riot, or other civil unrest; regional or national emergency; revolution; insurrection; epidemic or pandemic; lock-outs, strikes or other labor disputes (whether or not relating to either Party's workforce); restraints or delays affecting carriers or inability or delay in obtaining supplies of adequate or suitable materials; telecommunication breakdown or power outage; and/or any other circumstances of like character. Should performance of any obligation (other than any payment obligations) created under this Agreement become illegal, impossible, impracticable, not reasonably possible, or if a Party is otherwise prevented or hindered from complying by a force majeure incident as described in this section or any other cause not enumerated herein but which is beyond the reasonable control of the Party whose performance is affected, then the performance of any such obligation is suspended during the period of, and only to the extent of, such prevention or hindrance, provided the affected Party provides reasonable notice as soon as practicable (within 45 days) following an event of force majeure and exercised all reasonable diligence to remove the cause of force majeure.

XXIV. Miscellaneous

1. Both parties agree to have a spirit of cooperation and to endeavor to provide a positive collegiate-level experience for those high school students with the maturity and academic preparation to be successful in college-level courses.
2. All policies and requirements set forth herein are subject to the THECB Rules, and, in the event of conflict, the THECB Rules govern and apply. [TAC 19, Part 1, Chapter 4, Subchapter D, §4.85, (i)(2)]
3. This Agreement may only be modified in writing signed by both parties.
4. This Agreement will become effective on the date the last party executes it and will remain in effect until either party decides to terminate same. Either party may terminate this Agreement without cause by giving the other party notice in writing at least thirty (30) days before the beginning of the first day of the MCC semester or High School semester, whichever is earlier.
