- If using Ch. 33, an eBenefits COE must be submitted at the start of each school year in order to prove remaining eligibility for Ch. 33.
- All veterans must submit a letter of eligibility during the first semester enrolled.

How do I submit documentation?	Documents such as your DD 214 and letter of eligibility may be submitted in person (McLennan main campus, ADM 212), faxed (254-299-6215), mailed (MCC VA Office, 1400 College Dr., Waco, TX 76708), or scanned and emailed to veterans@mclennan.edu .
How do I receive monthly payments?	<p>When you complete the Request for VA Benefits online each semester, it alerts McLennan’s VA Specialist, who will certify all eligible classes with the VA Education Office in Muskogee, OK (using VA form 1999). The VA will process this certification and set up monthly payments for the enrollment period.</p> <p>If you use Ch. 30, 1606, or 1607, you must verify you’re attendance with the VA each month in order to receive your payments. Your enrollment can be verified starting on the last calendar day of each month of enrollment, either online (http://www.va.gov/gibill, click on “verify school attendance,” middle right side of the page) or by calling 877-823-2378.</p> <p>Ch. 33 beneficiaries are not currently required to verify attendance to receive their monthly housing stipend.</p>
What if I have questions about my VA money?	Please direct all VA payment questions to the VA Education Center at 888-442-4551 . Unfortunately, McLennan’s VA Specialist does not have access to payment schedules or information. Around the first of the month, phone waits may be long, but you may be able to automatically schedule a callback me.
Can I get paid via Direct Deposit?	Yes! The VA strongly recommends this. If you had Direct Deposit with the VA at your former school, it will remain the same at McLennan, unless you enter new account and routing numbers when completing your 22-1995. If your account information changes, you can contact the Education Center at 888-442-4551 with your new account and routing numbers, or stop by the McLennan VA Specialist’s office with the information, which can be faxed to the VA Education Center.
How do I change my address with the VA?	When you complete your Request for Benefits (RfB) online, use your most up-to-date address information, which the VA Specialist will then update in the VA’s online certification system. If your address changes during the semester, you may contact the VA directly at 888-442-4551 .

FREQUENTLY ASKED QUESTIONS

What if I drop or make changes to my schedule? Changes in your schedule almost always affect your monthly stipend, and may cause the VA to overpay **withdraw from a** you. The VA Education Center will determine these changes and notify you if you owe money to the VA.

If you have questions regarding a debt/overpayment notification from the VA, the McLennan VA Specialist may be able to help you understand the letter, but cannot file an appeal, determine correct amount(s) due, or provide other payment information.

If you withdraw from one or more classes due to what might be considered “mitigating circumstances,” the VA may partially or completely waive repayment of debts. Examples of mitigating circumstances which the VA may accept include: extended illness; severe illness or death in your immediate family; unscheduled changes in employment; or lack of childcare. Reasons the VA may NOT accept include: withdrawal to avoid a failing grade; dislike of the instructor; or too many courses attempted.

The VA may ask you to supply evidence of your mitigating circumstance(s). Third-party documentation such as medical records or a letter from your employer should be submitted directly to the VA Debt Management office from which you received the notice of overpayment/debt.
