

**HIGHER EDUCATION EMERGENCY RELIEF FUND REPORTING
ARP HEERF III GRANTS**

Until the U. S. Department of Education determines the process by which institutions may directly report the required data for HEERF III Grant expenditures, institutions have been directed to provide this information easily accessible to the public on the institution's website.

An acknowledgement that the institution signed and returned to the Department the Certification and Agreement and the assurance that the institution has used, or intends to use, no less than 50 percent of the funds received under CRRSAA Act and ARP to provide Emergency Financial Aid Grants to students.

McLennan Community College signed and returned to the Department of Education the Certification and Agreement on May 5, 2020. Because of signing the earlier CARES Act agreement, an additional agreement was not required.

The method(s) used by the institution to determine which students receive Emergency Financial Aid Grants and how much they would receive.

A group consisting of the Vice President Finance and Administration, Director of Financial Aid, Associate Director of Financial Aid, Financial Aid Specialist, Director Admissions, Executive Director Foundation, Coordinator Recruiting, and Director Marketing and Communication reviewed the guidance and developed the plan that was presented to Campus Leadership and the Board of Trustees. The plan included the following.

Method for determining eligibility:

- All Students (excluding International) enrolled for Spring 2022 were automatically awarded a grant under this section.
- Students will be grouped by Pell Eligible and those that are not. Additionally, enrollment status(enrolled in 9 or more hours, and 1 through 8 hours) will be considered.
- Students who are listed as International students would complete a simple application for the federal HEERF III grant that specifies that the students incurred expenses related to the Coronavirus. The application asks the student to indicate the expenses incurred due to COVID-19.
- All students receiving consideration for funding must have been enrolled for the Spring 2022 semester.

The following table provides the amounts for each group of students:

PELL ELIGIBLE STUDENTS	Spring
Enrolled 9 or more hours	\$500
Enrolled 1 through 8 hours	\$250
NOT PELL ELIGIBLE	
Enrolled 9 or more hours	\$200
Enrolled 1 through 8 hours	\$175

Any instructions, directions, or guidance provided by the institution to students concerning the Emergency Financial Aid Grants.

Each student considered eligible was sent an e-mail explaining they qualified for a grant from the ARP HEERF III Act. International students received a separate e-mail with a link to the college’s application to determine eligibility. The information page on the college website is copied below:

Higher Education Emergency Relief Fund III Grants

MCC received funding through the Higher Education Emergency Relief Fund III (HEERF III) as authorized through the American Rescue Plan Act 2021 (ARP). This funding is to assist the neediest students attending college who have been financially impacted by the coronavirus.

Federal Emergency Relief Fund for MCC Students

HEERF III funds are federal grants that can be used to help cover expenses, so you can focus on your education and meet your academic goals. You will not be asked to pay these funds back.

Awards to Students

McLennan Community College is planning its awarding process in five phases:

Phase 1

All Students will be eligible for HEERF III Funding. International students will be required to complete an application. Pell Grants recipients have been described in the legislation as the neediest students. Students who have an EFC (from the FAFSA) that would have allowed them to receive the Pell Grant and are enrolled in the 2021 Summer 1 semester will be awarded more funding than those without. The award amounts will be adjusted based on enrollment status. An email and text message will be sent to these students to notify them of the disbursement.

Phase 2

We will award students enrolled in Summer II based on the same criteria in Phase 1.

Phase 3

In September 2021, students enrolled in Fall 2021 will be awarded funding based on the same criteria as in Phase 1.

Phase 4

We will review all eligible students who have enrolled in the Fall 2021 second 8-week term and award them as in Phase 1.

Phase 5

The remaining funding will be disbursed in Spring 2022.

Funding in this program is very limited and applications will be considered on a first come first served basis and awards made until funds are exhausted. Once funds have been spent, all applicants will be notified.
