

POLICIES AND PROCEDURES

Reference:	C-I	Effective Date	11/19/1976
Subject:	College Building Program		
Source:	Board of Trustees		
Approval Authority:	Board of Trustees	Approval Date	11/19/1976
History:	Previously effective 11/19/1976, replaced policy dated 11/08/1966		
Remarks:	Policy updated into new format.		

The President of the College shall be responsible for coordinating the development of the College building program, including the campus building layout plan, individual building plans, and necessary furnishings and equipment, and such plans shall be presented to the Board only after they have been studied carefully with the architects and consultants and fully meet the approval of the President, especially as related to function.
