If excessed pledged revenues from this fee become available, they will be used to provide support for facilities for administrative and instructional functions. This fee allows students access to facilities.

Foreign Student Application Fee - A $50 non-refundable application fee shall be charged to all foreign students who apply for admission to the college.

Installment Payment Plan

McLennan Community College will comply with all statutory requirements regarding collection of tuition and fees. Tuition and fees are payable at the time of registration.
Students must pay in full upon registration, make appropriate arrangements to participate in the installment payment program, or be part of a valid contract with an eligible entity who will be providing for payment. Registration is not complete until full payment has been made.

TUITION AND FEES FOR COURSES BEGINNING AT IRREGULAR TIMES

Students registering for courses beginning at irregular times (other than at the beginning of a semester or summer term) shall be charged tuition and fees which shall be calculated as if the enrollment of the course had occurred during the student's original registration for the current semester or summer term.

TUITION AND FEES REFUNDS

Prior to the census date, students may drop and add courses without penalty if the dollar amount of the transactions are equal. If the transactions result in a refund, the Refund Policy for Credit Courses will be applied to the net change in tuition and fees.

After the census date, the Refund Policy for Credit Courses will apply. “Class Day(s)” above, refers to the number of days classes in general (not a particular class) have been in session.

Tuition and fees paid directly to the Institution by a sponsor, donor, or scholarship shall be refunded to the source, rather than directly to the student.

Mandatory fees include: Facilities fee, General Services fee, and laboratory fees.

**Tuition and Fee Student Refund Request Procedures**

**Purpose and Scope**

The purpose of the Application for Refund Appeal is to provide students the opportunity to request a different tuition refund than previously processed. This request is often used to request a “backdate” of enrollment for the specified semester. Students who have courses with grades assigned of A, B, C, D, F, CR, and NC are not eligible to request a refund appeal. If the student is appealing a grade or grievance, the student must follow procedures for submitting a Grievance or Grade Appeal. Students have one calendar year from the time the drop occurred to submit the form. Applications for Refund Appeal can only be approved after one calendar year if it is deemed that the college made an error.

**Financial Aid Notations**

If students received a disbursement of financial aid funds, those funds must be returned to the Business Office prior to submitting appeal. Proof must be submitted with form. If the student received financial aid, the student should consult with the Office of Financial Aid to ensure that processing of the appeal would not have negative impacts on future financial aid eligibility.

**Appropriate Reasons for Appeal:**

- Physical or mental illness of the student (including hospitalization) or the student's immediate family member (including hospitalization) who is dependent upon the student for support--documented by physician's statement or other medical support on official letterhead, including date of onset.
McLennan Community College

POLICIES AND PROCEDURES

• Death of a student's immediate family member. “Immediate family” is defined as parents, spouse, children, brother or sister, (either blood or by marriage) with a certified copy of death certificate.

• Involuntary changes in employment schedule documented by employer on official letterhead.

• Required Military transfer or deployment.

• Late notification of denial to a specific degree program--with supporting documents on official letterhead.

• Institutional errors/delay in processes.

• Documented family emergency

Reasons Deemed Inappropriate for Appeal:

• Misinterpretation or lack of knowledge of college policies and/or procedures.

• Dissatisfaction with instructor, course content, or delivery of instruction.

• Dissatisfaction with academic progress in course.

• Non-attendance or minimal attendance of class.

• Inadequate investigation of course requirements prior to registration and attendance.

• Non-qualification, late application, or loss of eligibility for financial aid or scholarships.

• Failure to activate or maintain your official McLennan student e-mail account.

• Student errors resulting in the delay of administrative processes relative to registration or the delivery of financial aid funds.

• Voluntary acceptance of employment or other activity affecting ability to attend classes.
Process for Submission:

Students have one calendar year from the time the drop occurred to submit the form. Applications for Refund Appeal can only be approved after one calendar year if it is deemed that the college made an error.

Students must request the Application for Refund appeal by contacting the Office of Records and Registration. The student should then submit the form with attached documentation to the office of Director, Records & Registration.

Once the appeal is received, it will be reviewed within 7-14 business days.

If the student has a "W" grade assigned, the appeal will be reviewed by the Refund Appeal Committee consisting of the Director, Records & Registration, Dean Representative, Business Office Representative, Office of Financial Aid representative, and Advising Representative.
