Source: Board of Trustees Eff. Date: March 31, 2003

Approval Auth.: Board of Trustees Approved: _____

Remarks: This policy replaces previous policy dated October 30,
2001.

Date: March 31, 2003

Any full-time employee or retiree of McLennan Community College is authorized to take credit courses at the College during any given time period without tuition charges. The employee or retiree pays laboratory fees, but does not pay general services or facilities fees.

Any full-time employee or retiree of MCC is authorized to take one non-credit course during any given time without tuition charges. The employee or retiree pays all fees.

Dependents and spouses of full-time employees or retirees of McLennan Community College are authorized to take credit courses at the College during any period without tuition charges. To be eligible for the summer scholarship, the dependent or spouse must have been enrolled in the prior spring semester or pre-enrolled for the upcoming fall semester. The dependent or spouse pays laboratory and facilities fees but does not pay general services fees.
