PURPOSE

The staff advisory committees act as the representative body for administrative and support staff and serve to advise and communicate with the President. The advisory committees support McLennan Community College in the achievement of the College's mission and recognize the input and value of the administrative and support staff.

The following procedures relate to the duties, operation, and election of the Committees.

Duties- These committees serve as advisors to the President. The committees represent the administrative and support staff, assist with communication across campus, provide staff with a campus voice, disseminate messages from the President, and act as an avenue to share campus concerns and recommendations for improvement.

Each committee will meet as a group throughout the year. The Chairs and Vice Chairs of each committee will meet with the President prior to the Board of Trustees meeting each month and attend the monthly Board of Trustees meeting. The Chairs of each committee will also attend the monthly President's Council meetings. If the Chair of the committee is unable to attend, the Vice Chair should attend.
