

Paramedicine & EMT

Paramedics and Emergency Medical Technicians are the first line of care for individuals involved in traumatic and medical emergencies. They are well trained in assessing patients and quickly providing medical care.

At McLennan Community College, you have a variety of options for Paramedicine and EMT training. Earn a two-year associate degree in paramedicine or choose the 18-month Level-Two certificate in paramedicine. McLennan also offers one-semester EMT training in the spring, summer, and fall semesters.

What You'll Learn

- Patient Assessment & Treatment Skills
- Cardiac Resuscitation
- Advanced Airway Management
- IV Therapy
- Medication Administration
- Disaster Preparedness & Ambulance Operations

What You'll Get

- Hands-on training in a state-of-the-art lab with ambulance simulator and high-tech manikins that simulate patients
- Training at McLennan's Emergency Services Education Center with a multistory tower used for field-based scenarios and an agility course for physical training
- Clinical rotations for real-world experience
- Instructors who continue to serve their community as EMS professionals
- Individualized attention with average student-to-teacher ratio of 7-to-1

Admission Requirements

Associate Degrees

- Advising session with Paramedicine faculty advisor
- Meet McLennan enrollment requirements
- Completion of prerequisite courses
- Current American Heart Association CPR for Health Care Providers certification
- Current immunizations, drug test, and background check

*Note: Meeting these requirements does not guarantee admission to the program.

Rewarding Careers

McLennan has an excellent reputation for training paramedics and EMTs. Our graduates are in demand by employers around Central Texas and have numerous opportunities upon graduation.

EMT or paramedic students may opt to work for an EMS service, or they may seek employment in a hospital emergency department (ED) as an ED technician. Students who successfully complete the EMT program may choose to attend the McLennan Fire Academy and become an EMT/Firefighter while others may choose to work for a public or private EMS service. All students have the opportunity to benefit their communities by working as a volunteer or first responder.

Gainful Employment

Important information about the educational debt, earnings, and completion rates of students in this program is available at www.mclennan.edu/gainful-employment.

Learn More

McLennan Community College does not discriminate on the basis of race, color, national origin, sex, disability or age in its programs or activities. The following person has been designated to handle inquiries regarding the nondiscrimination policies: Drew Canham, Vice President of Student Success, 1400 College Drive, 254-299-8645, titleix@mclennan.edu.

A lack of English language skills will not be a barrier to admission to and participation in career and technical education programs.

McLennan Community College no discrimina a ninguna persona independientemente de la raza, color, origen nacional o étnico, género, discapacidad, o edad en sus programas, actividades o empleo. Para obtener información sobre el cumplimiento de esta política de no discriminación por parte de la institución, comuníquese con el siguiente administrador: Drew Canham, vicepresidente Éxito Estudiantil, 1400 College Drive, 254-299-8645, titleix@mclennan.edu.

La falta de conocimiento del idioma inglés no será un impedimento para la admisión y participación en programas de educación técnica y profesional.

For students in these programs who may have a criminal background, please be advised that the background could keep you from being licensed by the State of Texas. If you have a question about your background and licensure, please speak with your faculty member or program director. You also have the right to request a criminal history evaluation letter from the applicable licensing agency.
