

CHICAGO

Special "Chicago" Gala Sponsor Opportunity!

On Feb. 27th, the MCC Foundation's Hearts in the Arts Theatre Gala harkens back to the roaring '20s, beginning with cocktails and heavy hors d'oeuvres and followed by the musical production. All the fun will be at the MCC Ball Performing Arts Center and beautiful Fountain Plaza.

Proceeds from Hearts in the Arts memberships and Gala sponsorships fund scholarships, equipment, guest artists, and professional accompanists for our McLennan Visual and Performing Arts students and faculty. Thank you for supporting their success and bringing Broadway-quality performances to our stages!

With appreciation,

Kim Patterson
MCC Foundation Executive Director
