

I. Apartment Host, Compassion Ministries

Organization Description: Compassion Ministries describes itself as "transitional housing for homeless families."

Volunteer Duties: Volunteers prepare an apartment for a new family by decorating, stocking it with food, and making the new family feel welcome.

Volunteer Requirements: Volunteers must pass a criminal history check.

Training Provided: All training is provided as needed.

Time Commitment: Long and short term opportunities are available.

Group Volunteering: Clubs/groups/organizations welcome as needed. Please call for information.

Recommended For: Students interested in serving those living in homelessness in their community. Social service, education, and mental health majors.

Benefits: Volunteers benefit by learning more about various professional fields including social services, improving their community, and learning more about how non-profits work.
