

E. Green Team, Cameron Park Zoo

Organization Description: Cameron Park Zoo describes its mission as wildlife conservation and research, educating others about nature, and preserving biological diversity.

Volunteer Duties: Green Team volunteers are "in charge of implementing methods of recycling and educating the public on the value of environmental conservation. This group helps with Earth Day, partners with local schools who participate in 'Cans for Critters,' and presents puppet shows about being green."

Volunteer Requirements: Volunteers must be 18 years or older. They must complete an application, attend an orientation, and pass a background check.

Training Provided: All training is provided, no prior experience is necessary.

Time Commitment: Volunteers must commit to 48 hours a year.

Recommended For: Students in the fields of education and others.

Benefits: Volunteers gain hands-on experience in education and conservation, while learning more about a variety of animals, their care, and their behavior. Volunteers also receive a 10% discount at the Zoo CafT and Zootique, see new exhibits before the public, and get to attend an annual appreciation dinner.
