

Dual Credit Partnership Agreement

August 1, 2021 – July 31, 2022

I. Parties

This Dual Credit Partnership Agreement ("Agreement") is entered into between McLennan Community College ("MCJCD") and a homeschool entity (referred to hereafter as "High School") and is designed to allow High School students attending the homeschool to earn dual High School and college credit by enrolling in MCJCD credit courses.

II. Purpose and Background

In accordance with the rules and regulations of the Texas Higher Education Coordinating Board (THECB), MCJCD offers regular college credit courses in Core Curriculum, Foreign Language, and Career and Technology for dual credit High School students. If the High School approves these college courses for dual credit, High School students meeting MCJCD admission requirements can enroll in these courses and receive college and High School credit simultaneously.

In order to ensure the quality of dual credit courses and to facilitate communications and understanding between the High School and MCJCD, the following provisions are agreed to by MCJCD and the High School where dual credit courses are offered.

III. Statewide Goals for Dual Credit

Pursuant to Texas House Bill 1638 (85th Legislature, 2017), MCJCD and the High School set forth the following goals for dual credit programs in Texas, as prescribed by the Texas Higher Education Coordinating Board (THECB) and the Texas Education Agency (TEA).

1. GOAL 1: Create collaborative outreach efforts
 - a. The MCJCD dual credit program will collaborate with the High School to provide information sessions for parents, students, and High School counselors addressing the potential benefits, risks, and costs of dual credit.
 - b. MCJCD will provide online information regarding the dual credit program, including contact information, eligibility requirements, the enrollment process, cost data, and potential benefits/risks of dual credit coursework.
 - c. MCJCD recruiters will collaborate with the High School to provide additional assistance to students and families seeking information or assistance with enrolling at MCJCD.
2. GOAL 2: Improve transition to and acceleration through postsecondary education
 - a. The MCJCD dual credit program requires all new dual credit students to complete an online orientation to facilitate the transition to college coursework.
 - b. The dual credit program will collaborate with the High School to provide in-person or video conference orientation sessions upon request.

- c. The program has identified a Transfer Block of courses that transfer well to Texas public colleges to encourage selection of courses that will apply to a four-year degree.
 - d. Dual credit students will be encouraged by MCJCD to enroll only in courses applicable to their selected degree plan.
3. GOAL 3: Provide college advising and student support services to promote success
- a. The MCJCD dual credit program requires all students selecting courses outside of the Transfer Block or accumulating more than 15 semester credit hours to meet with a college transfer advisor each semester prior to registration.
 - b. All support services at MCJCD are available to dual credit students. Note that the College provides online and in-person tutoring, library instruction, and success coaching to promote student success.
 - c. MCJCD and the High School will collaborate to encourage dual credit students to make use of support services available at the College.
4. GOAL 4: Ensure quality and rigor of dual credit courses
- a. MCJCD is committed to quality and rigor in its dual credit courses. As required by the THECB and the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC), the quality and rigor of dual credit courses shall be the same as courses taught at the college campus.
 - b. Dual credit faculty, including faculty hired from the High School, will meet the credentialing standards set by the THECB and SACSCOC.
 - c. Oversight of dual credit faculty and course content will occur according to the same standards and processes employed on the MCJCD campus.
5. TOOLS: Identify tools to assist students and families with selecting endorsements and dual credit courses as well as navigating the college process.
- a. The THECB provides the following four tools at this website:
<http://www.thecb.state.tx.us/plan-pay-complete-college/>
 - 1) College for All Texans
 - 2) Exploring College Options
 - 3) Applying for College
 - 4) Paying for College
 - b. The TEA has made the following tools available to the public.
 - 1) Graduation Toolkit: <https://tea.texas.gov/sites/default/files/14Grad-toolkit-booklet.pdf>
 - 2) CTE Pathways: <https://tea.texas.gov/academics/college-career-and-military-prep/career-and-technical-education/approved-cte-programs-study>
 - c. The Texas Workforce Commission provides tools to assist with career selection and education planning at <https://twc.texas.gov/students>.

Metrics associated with the state dual credit goals, such as students' future college enrollment and success, will be tracked by MCJCD's Office of Institutional Effectiveness.

V. Student Eligibility

1. High School students must meet all eligibility requirements set forth in the THECB Rules.
2. Eligible students may first enroll in dual credit courses in the fall semester of grade nine (9).
3. Eligibility for High School Pathways courses/programs ends six (6) weeks prior to High School graduation.
4. All dual credit students must meet the testing and placement guidelines stipulated in the MCJCD catalog, the THECB rules, and the Texas Education Code.

A High School student is eligible to enroll in academic dual credit courses if the student:

- a. Demonstrates college readiness by achieving the minimum passing standards under the provisions of the Texas Success Initiative (TSI); or
- b. demonstrates that he or she is exempt under the provisions of TSI.

A High School student is also eligible to enroll in dual credit courses (academic; workforce courses for AAS or Level 2 certificates) under the following conditions:

- a. Courses that require demonstration of TSI college readiness in reading and/or writing: if the student achieves a Level 2 final recommended score on the English 2 STAAR EOC, an EBRW score of 460 on the PSAT/NMSQT, or an English score of 435 on the ACT-Aspire.
- b. Courses that require demonstration of TSI college readiness in mathematics: if the student achieves a Level 2 final recommended score on the Algebra I STAAR EOC and a passing grade in the Algebra II course, a Level 2 final recommended score on the Algebra II STAAR EOC, a mathematics score of 510 on the PSAT/NMSQT, or a mathematics score of 431 on the ACT-Aspire.

MCJCD recommends High School students score 347 on the reading section of the TSI Assessment or 945 on the TSI Assessment 2 ELAR section before enrolling in workforce education dual credit courses contained in a Level 1 certificate program, or a program leading to a credential of less than a Level 1 certificate.

To be eligible for enrollment in a dual credit course offered by McLennan Community College, students must meet all regular prerequisite requirements designated for particular courses. [TAC 19, Part 1, Chapter 4, Subchapter D, §4.85 (b)]

5. In addition, McLennan Community College also requires that dual credit students:
 - a. have the written approval of the High School principal or counselor, parent or guardian, and a Counseling Specialist in Student Development or a Dual Credit Coordinator at MCJCD; and
 - b. unless otherwise exempt, score a 351 or above on the reading section of the TSI Assessment or 945 on the TSI Assessment 2 ELAR multiple choice test or overall passing score on the TSI Assessment 2 ELAR section to qualify for academic courses and workforce courses contained in an AAS or workforce Level 2 certificate;
 - c. satisfy the prerequisites of the desired course and/or program, including additional sections of the TSI Assessment relevant to the requested course or program.
6. Prospective High School students must complete the MCJCD admission process prior to registration. The application may be submitted online or by completing a paper copy of the application for admission. Students must also submit a recent Bacterial Meningitis Shot Record (within the past five (5) years) if scheduling a course on the MCJCD campus. Information is also available on the MCJCD High School Pathways website.
7. Prospective High School students must receive consent of a parent or guardian to participate in the program.
8. Each semester, prospective High School students must submit a MCJCD High School Pathways Schedule Request submitted by the student and approved by the High School counselor or principal. The Schedule Request must be on file at MCJCD at the time of registration. The Schedule Request is available through the MCJCD High School Pathways online enrollment portal.
9. High School students will complete the online High School Pathways Orientation during their first semester of coursework at MCJCD.
10. High School students not following the Transfer Block, detailed on the MCJCD High School Pathways website, and those who accumulate more than fifteen (15) credit hours will see an MCJCD advisor before enrolling in classes.
11. High School students taking MCJCD courses for dual credit will be treated as college students. It is expected that High School students taking MCJCD courses as dual credit will conduct themselves as college students. A collegiate classroom environment is expected. Controversial material may be addressed. The level of maturity of the High School student should be one of the criteria considered by High School officials prior to approving individuals for enrollment.

12. Dual credit students with less than a 2.0 grade point average (GPA) in MCJCD courses after completion of six (6) credit hours will be blocked from taking additional college courses until the students have earned a High School diploma.
13. Dual credit students who have three (3) or more withdrawals on their college transcript will be blocked from enrolling in additional college courses until the students have earned a High School diploma.
14. The awarding of High School credit for graduation is at the discretion and approval of the HIGH SCHOOL.

VI. Student Composition of Class

1. Dual credit courses will be composed of dual credit students only or of dual and college credit students.

VII. Instructional Calendar

1. Both MCJCD and the High School will maintain their own instructional calendars, to begin in August/September and continue through May/June. However, students who are enrolled in dual credit courses at the MCJCD campus will be expected to attend classes even when the High School is not in session. Any issues of transportation will need to be addressed and resolved by the student and/or High School. MCJCD will not be required to provide transportation.
2. Students enrolled in online dual credit courses will be expected to participate regardless of the High School calendar.
3. In situations involving dual credit courses on a High School campus, schedule conflicts between the institutions, including High School holidays and dates of state-mandated testing, will be resolved on a case-by-case basis, but in all instances the contact time for the College course will be maintained either by an additional course meeting or other solution acceptable to both MCJCD and High School.

VIII. Faculty Selection, Supervision and Evaluation

1. As required by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC), MCJCD controls all aspects of its educational programs. Each educational program for which academic credit is awarded is approved by the faculty and the administration. MCJCD will maintain qualified faculty who demonstrate the ability to deliver college-level course content with high quality and effectiveness.
2. In order to serve as an instructor of record at MCJCD, for freshman and sophomore level courses designed for transfer to a baccalaureate degree, faculty should have a minimum of a master's degree with at least 18 graduate hours in the discipline in which they are teaching. In appropriate areas, work experience, professional licensure, and certification are also considered. Degrees and graduate credit hours held by faculty members, whether

full time or part-time, must have been earned at a U. S. regionally accredited institution. [SACSCOC, Principles of Accreditation, 3.7.1]

3. In order to serve as an instructor of record at MCJCD, for associate degree courses designed to prepare students specifically for employment in career and technical areas, instructors should have a minimum of three (3) years of experience in the field, appropriate certification or professional licensure, and educational background and credentials at the same level as or higher than the certificate or degree being awarded in the program. Degrees and graduate credit hours held by faculty members, whether full time or part-time, must have been earned at a U. S. regionally accredited institution. [SACSCOC, Principles of Accreditation, 3.7.1]
4. High School faculty hired by MCJCD to teach dual credit courses at the High School site will follow the same application and screening procedures as adjuncts hired to teach at the MCJCD campus. Employment will only be awarded after approval by the appropriate division or program chair.
5. MCJCD shall evaluate instructors of college courses offered for dual credit using the same or comparable procedures used for faculty teaching at the MCJCD campus. Faculty teaching courses for dual credit shall comply with MCJCD's standards of instruction and policies. [TAC 19, Part 1, Chapter 4, Subchapter D, §4.85 (e)(2)] [SACSCOC, Principles of Accreditation, 3.7.2]

When such evaluations include classroom observation, the High School will provide access to the classroom in question to the appropriate MCJCD personnel. The MCJCD personnel will be expected to comply with the standard High School visitor screening process.

6. The appropriate representatives of the MCJCD academic department will evaluate the performance of faculty teaching college courses offered as dual credit. Included in this evaluation will be a determination of how well the faculty member performs in achieving the desired learning outcomes. Additionally, the evaluation will include a review of performance on the items delineated in Section VI, item 9. The evaluation will be forwarded to the Vice President of Instruction for a decision regarding continued employment as an adjunct instructor for dual credit courses. In the event it is determined that a faculty member employed by the High School will not be granted continued employment, the High School will be informed in a timely manner. [TAC 19, Part 1, Chapter 4, Subchapter D, §4.85 (e)(2)] [SACSCOC, Principles of Accreditation, 3.7.2]
7. MCJCD will pay High School faculty members hired to teach dual credit courses at the High School site in the same manner as other adjunct employees of MCJCD.

Provide each student with a syllabus/class outline that explains the expectations of the instructor, learning outcomes, attendance policy, cheating policy, and other information needed by the student (Examples: timelines, required class materials, outside assignments, course pre-requisites, etc.).
- c. Check student enrollment in the course. If a student's name does not appear on the MCJCD class roll, the student may not attend class. If a student's name does not appear, the student should be instructed to contact the MCJCD High School Pathways Office to complete the enrollment process.

If MCJCD personnel need to review grade books, the High School Pathways Program Director and/or the appropriate Division Chair will request and receive a copy at that time. Detailed records should be saved for one (1) calendar year following the end of the course. If employment with MCJCD ends, records for the previous year should be submitted to the appropriate Division Chair.

2. Students violating MCJCD policies relating to academic integrity will be subject to the consequences described in the course syllabus and the relevant MCJCD policies. Such violations will also be reported to the High School, but college policy and consequences will have precedence in these situations.

XII. Student Services

1. Students taking college classes for dual credit may utilize the same services that are available to other MCJCD students. MCJCD is responsible for ensuring timely and efficient access to such services as academic advising, learning materials (e.g., library resources), and other services for which the student may be eligible. 3. MCJCD and the partner High School will cooperate in disciplinary issues to the extent possible, but MCJCD will have final authority over disciplinary matters relating to MCJCD classes.
4. Disciplinary issues will be reported and addressed according to published college policy. High School employees who are not also employed by MCJCD may contact the MCJCD Conduct Office or the High School Pathways office for guidance in reporting an issue.
5. The HIGH SCHOOL will notify MCJCD of student behavioral issues that would impact a dual credit course, particularly in regards to matters concerning student safety.
6. In the event High School disciplinary measures prevent a dual credit student from attending an MCJCD course, the student, the High School, and MCJCD will consult regarding possible outcomes. If the student's absences will exceed 25% of course meetings, and if no satisfactory alternative can be found, the student will be withdrawn from the MCJCD course for disciplinary reasons.
7. In the event a conduct or academic-integrity-related visit to the High School is needed, the High School will facilitate a meeting between the student(s) in question and the appropriate MCJCD personnel. The MCJCD personnel will be expected to comply with the standard HIGH SCHOOL visitor screening process.

XIV. Course Curriculum, Instruction, and Grading

1. The MCJCD Division Chair of the program area oversees instructional content for college courses taught for dual credit.

2. MCJCD shall ensure that a college course offered for dual credit at the High School and the corresponding course offered at the College are equivalent with respect to the curriculum, contact hours, course maximum, materials, instruction, and method/rigor of evaluation of student performance, regardless of student composition of the class. [TAC 19, Part 1, Chapter 4, Subchapter D, §4.85 (f)]
3. All MCJCD instructors must have a syllabus on file which incorporates the policy and procedure for learning outcomes, grading policies, and disability services.
4. Instructors shall follow MCJCD grading policies for awarding college credit.
5. Faculty will participate in providing information for the assessment of student learning outcomes as required by the Southern Association of Colleges and Schools Commission on Colleges. XV. Grade Reports

1. MCJCD will provide grade reports for dual credit students each semester following the conclusion of the final exam period.
2. Grades will be reported via an unofficial college transcript that provides information regarding courses, letter and numeric grades, and cumulative GPA.
3. Progress reports may be requested by an High School during the semester for dual credit-only courses offered on the High School campus with the following restrictions.
 - a. Requests will be made to the dual credit office via email and will identify the course, section, and date the progress report is needed.
 - b. A High School will request no more than two progress reports per semester.
4. Progress reports will not be an option for dual credit students in online sections and/or in sections in which they are blended with traditional college students. Instead, students may log in to Brightspace to provide the High School with current grade information from the online course gradebook.

XVI. Transfer of Courses

McLennan Community College is fully accredited by the SACSCOC, and basic academic, general education courses are readily transferable to other public institutions of higher education in Texas. However, since each college has its own policy regarding the transferability of courses, students are strongly advised to check with the college they plan to attend after High School, other than MCJCD, in order to determine the transferability of MCJCD courses.

CTE/Workforce education courses are not designed for transfer beyond the community college level. However, programs exist at some universities that allow these courses to be applied directly to baccalaureate degree requirements. Students are encouraged to check with prospective universities concerning programs such as the BAAS, BAT, and other similar programs.

XVII. Academic Regulations

1. An MCJCD class minimum of twelve (15) students is deemed necessary for a dual credit-only course section. Any exceptions will be approved by the Vice President of Instruction.
2. MCJCD courses offered as dual credit, regardless of where they are taught, follow the same college calendar, syllabus requirements, course outline, grading procedure, and other instructional and evaluative policies and procedures. [TAC 19, Part 1, Chapter 4, Subchapter D, §4.85 (g)(1)]
3. The Texas Education Code and SACSCOC do not allow for outside influence on college grading systems.
4. Letter grades are given in accordance with policies printed in the college catalog. Whenever possible, numerical grades will be provided to the High School counselor by the High School Pathways Office. Dual credit grades will be provided to the High School each semester the week following final exams.
5. In the event of a grade dispute, the MCJCD policy for grade appeals will be followed. Please see the MCJCD catalog and/or the *Highlander Guide*.
6. Dual credit students may withdraw from a course and receive a grade of "W" at any time during the semester on/prior to the MCJCD official drop deadline specified in the College Calendar located in the class schedule or catalog. After the MCJCD official drop deadline, dual credit students will follow published MCJCD policy in regards to withdrawing from courses and the grade recorded for such courses. It is the student's responsibility to officially withdraw from a course or verify that the instructor initiated the withdrawal procedure.

XVIII. Attendance and Funding

1. Students enrolled in college credit courses will follow current MCJCD attendance policies. Attendance will be taken at MCJCD based on the published College Attendance Policy.
2. The cost of tuition and fees will be based on the current McLennan Community College tuition and fee schedule for dual credit students.
3. State funding for college courses offered for dual credit will be available to both the High School and MCJCD based upon current funding rules of the State Board of Education and the Texas Higher Education Coordinating Board. [TAC 19, Part 1, Chapter 4, Subchapter D, §4.85 (i)(1)]
4. MCJCD waives tuition and standard fees for students demonstrating financial need. Information and an application form for this tuition exemption are available through the High School Pathways office and the online enrollment portal. Tuition for other students will be the responsibility of the student or the High School.

5. Textbooks, transportation, classroom supplies, and special fees will be the responsibility of the student or the High School.
6. MCJCD will consider the use of free or low-cost open educational resources for courses as may be deemed appropriate by the faculty member and MCJCD.
