Dual Credit Partnership

I. Parties

This Dual Credit Partnership Agreement ("Agreement") is entered into between McLennan Community College ("MCC") and Robinson Independent School District ("ISD") and is designed to allow high school students from the ISD to earn dual high school and college credit by enrolling in MCC credit courses.

II. Purpose and Background

In accordance with the rules and regulations of the Texas Higher Education Coordinating Board (THECB), MCC offers regular college credit courses in Core Curriculum, Foreign Language, Field of Study programs, and workforce education for dual credit high school students. If the ISD approves these college courses for dual credit, high school students meeting MCC admission requirements can enroll in these courses and receive college and high school credit simultaneously.

MCC and the ISD will work together in a spirit of cooperation to offer course sequences that accelerate post-secondary completion for students, support accountability measures at the school district, and promote completion of 15 semester credit hours for college funding purposes.

In order to ensure the quality of dual credit courses and to facilitate communication and understanding between the ISD and MCC, the following provisions are agreed to by MCC and the ISD where dual credit courses are offered.

III. Statewide Goals for Dual Credit

Pursuant to Texas House Bill 1638 (85th Legislature, 2017), MCC and the ISD set forth the following goals for dual credit programs in Texas, as prescribed by the Texas Higher Education Coordinating Board (THECB) and the Texas Education Agency (TEA).

1. GOAL 1: Create collaborative outreach efforts.
 - a. The MCC dual credit program will collaborate with the ISD to provide information sessions for parents, students, and high school counselors addressing the potential benefits, risks, and costs of dual credit.
 - b. MCC will provide online information regarding the dual credit program, including contact information, eligibility requirements, the enrollment process, cost data, and potential benefits/risks of dual credit coursework.
 - c. MCC recruiters will collaborate with the ISD to provide additional assistance to students and families seeking information or assistance with enrolling at MCC.

2. GOAL 2: Improve transition to and acceleration through postsecondary education.
 - a. The MCC dual credit program requires all new dual credit students to complete an online orientation to facilitate the transition to college coursework.
 - b. The dual credit program will collaborate with the ISD to provide in-person or video conference orientation sessions upon request.
 - c. The program has identified a Transfer Block of courses that transfer well to Texas public colleges to encourage selection of courses that will apply to a four-year degree.
 - d. Dual credit students will be advised by MCC to enroll only in courses applicable to their selected degree plan.
3. GOAL 3: Provide college advising and student support services to promote success.
 - a. The MCC dual credit program requires all students who select courses outside of the Transfer Block, who plan to attend a private or out-of-state institution, or who have goals other than an AA, AS, or bachelor's degree to meet with a college transfer advisor each semester prior to registration.
 - b. All dual credit students will have access to drop-in college advising via regularly scheduled Zoom sessions, email, or by visiting the Dual Credit offices located on the first floor of the Michaelis Academic Center.
 - c. All support services at MCC are available to dual credit students. Note that the College provides online and in-person tutoring, library instruction, and success coaching to promote student success.
 - d. MCC and the ISD will collaborate to encourage dual credit students to make use of support services available at the College.
4. GOAL 4: Ensure quality and rigor of dual credit courses.
 - a. MCC is committed to quality and rigor in its dual credit courses. As required by the THECB and the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC), the quality and rigor of dual credit courses shall be the same as courses taught at the college campus.
 - b. Dual credit faculty, including faculty hired from the ISD, will meet the credentialing standards set by the THECB and SACSCOC.
 - c. Oversight of dual credit faculty and course content will occur according to the same standards and processes employed on the MCC campus.
5. TOOLS: Identify tools to assist students and families with selecting endorsements and dual credit courses as well as navigating the college process.
 - a. MCC will provide degree guides through the online [Student Planning](#) program as well as dual credit specific guides via the [High School Programs website](#).
 - b. The THECB provides the following tools.
 - 1) [College for All Texans](#)
 - 2) [Exploring College Options](#)

- c. The TEA has made the following tools available to the public.
 - 1) [Graduation Toolkit](#)
 - 2) [CTE Pathways](#)
- d. The Texas Workforce Commission provides tools to assist with career selection and education planning at <https://twc.texas.gov/students>.

Metrics associated with the state dual credit goals, such as students' future college enrollment and success, will be tracked by MCC's Office of Institutional Research and Effectiveness.

It is expected that high school students taking MCC courses as dual credit will conduct themselves as college students. A collegiate classroom environment is expected. Controversial material may be addressed. The level of maturity of the high school student should be one of the criteria considered by high school officials prior to approving individuals for enrollment.
15. The awarding of high school credit for graduation and/or weighted grades on the high school transcript will be at the discretion and approval of the ISD.

VI. Financial Aid for Swift Transfer (FAST) and Dual Credit Costs

MCC participates in the FAST program, a state program for dual credit financial aid. MCC and the ISD agree to the following in support of the FAST program with the intent to accelerate college completion for economically disadvantaged dual credit students.

3. Students enrolled in online dual credit courses will be expected to participate regardless of the ISD calendar.
4. In situations involving dual credit courses on a high school campus, schedule conflicts between the institutions, including ISD holidays and dates of state-mandated testing, will be resolved on a case-by-case basis, but in all instances the contact time for the college course will be maintained either by an additional course meeting or other solution acceptable to both MCC and the ISD.

IX. Faculty Selection, Supervision and Evaluation

1. As required by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC), MCC controls all aspects of its educational programs. Each educational program for which academic credit is awarded is approved by the faculty and the administration. MCC will maintain qualified faculty who demonstrate the ability to deliver college-level course content with high quality and effectiveness.
2. In order to serve as an instructor of record at MCC, for freshman and sophomore level courses designed for transfer to a baccalaureate degree, faculty should have a minimum of a master's degree with at least 18 graduate hours in the discipline in which they are teaching. In appropriate areas, work experience, professional licensure, and certification are also considered. Degrees and graduate credit hours held by faculty members, whether full time or part-time, must have been earned at a U. S. regionally accredited institution. [SACSCOC, Principles of Accreditation, 3.7.1]
3. In order to serve as an instructor of record at MCC, for associate degree courses designed to prepare students specifically for employment in career and technical areas, instructors should have a minimum of three (3) years of experience in the field, appropriate certification or professional licensure, and educational background and credentials at the same level as or higher than the certificate or degree being awarded in the program. Faculty teaching courses for dual credit shall comply with MCC's standards of instruction and policies. [TAC 19, Part 1, Chapter 4, Subchapter D, §4.85 (e)(2)] [SACSCOC, Principles of Accreditation, 3.7.2]

When such evaluations include classroom observation, the ISD will provide access to the classroom in question to the appropriate MCC personnel. The MCC personnel will be expected to comply with the standard ISD visitor screening process.

MCC classroom observations of ISD faculty hired to teach dual credit courses at the high school are separate and distinct from observations made by the ISD for the purposes of district evaluation and employment. ISD observations will be conducted according to district policy with the understanding that 1) the college classroom should experience minimal disruption and 2) the course content, assessment methods, texts, and materials are approved by MCC and may not be altered at the discretion of the ISD.

6. The appropriate representatives of the MCC academic department will evaluate the performance of faculty teaching college courses offered as dual credit. Included in this evaluation will be a determination of how well the faculty member performs in achieving the desired learning outcomes. Additionally, the evaluation will include a review of performance on the items delineated in Section VI, item 9. The evaluation will be forwarded to the Vice President of Instruction for a decision regarding continued employment as an adjunct instructor for dual credit courses. In the event it is determined that a faculty member employed by the ISD will not be granted continued employment, the ISD will be informed in a timely manner. [TAC 19, Part 1, Chapter 4, Subchapter D, §4.85 (e)(2)] [SACSCOC, Principles of Accreditation, 3.7.2]
7. MCC will pay ISD faculty members hired to teach dual credit courses at the high school site in the same manner as other adjunct employees of MCC.

that time. Detailed records should be saved for one (1) calendar year following the end of the course. If employment with MCC ends, records for the previous year should be submitted to the appropriate Division Chair.

- m. Maintain a Brightspace course shell for each section taught, to include at minimum professor contact information, a course syllabus, grade book, and attendance records.
 - n. Check MCC email on a regular basis for information on deadlines, reporting, grades, etc. This is one form of official communication from the college.
 - o. Attend faculty meetings and other special meetings called by the High School Pathways Office, Division Chair, Dean of Arts and Sciences, Dean of Health Professions, Dean of Workforce & Public Service, Vice President of Instruction, or the President, when possible.
 - p. Direct students seeking accommodations for disabilities to the MCC Accommodations Coordinator for appropriate action. The instructor should not give opinions about disabilities or provide accommodations for disabilities prior to receiving appropriate direction from the MCC Accommodations Coordinator.
 - q. Provide the institution with an updated Curriculum Vitae, which includes educational history.

12. Faculty teaching courses offered for dual credit who are also employed by the ISD will be required to participate in a minimum of four (4) hours per year of MCC professional development activities, activities such as MCC Professional Development Day, Dual Credit Faculty Seminar, and courses offered through the MCC Center for Instructional Design. For purposes of this agreement, the year shall run from the Fall semester through the end of the Summer 2 semester.

X. Location of Classes

1. Dual credit courses may be taught on the college campus or on the high school campus, or by distance education, including Internet delivery and/or blended courses. [TAC 19, Part 1, Chapter 4, Subchapter D, §4.85 (c)]
2. For dual credit courses taught exclusively to high school students on the high school campus and for dual credit courses taught electronically, McLennan Community College complies with applicable rules and procedures for offering courses at a distance. In addition, dual credit courses taught electronically comply with the THECB's Principles of Good Practice for Courses Offered Electronically.

XI. Transcription of Credit

For dual credit courses, high school as well as college credit should be transcribed immediately upon a student's completion of the performance required in the course. [TAC 19, Part 1, Chapter 4, Subchapter D, §4.85 (h)]

Dual credit students 18 years or older will not require parental consent for counseling services through MCC. Requests for mental health counseling made by students younger than 17 will be referred to the respective school counselor or behavioral intervention specialist for mental health counseling.
5. One ISD employee per high school campus will be designated as a facilitator for dual credit students. The facilitator will maintain familiarity with MCC resources and services and assist in guiding dual credit students to those services.

- 3. MCC and the partner ISD will cooperate in disciplinary issues to the extent possible. When not possible, each institution may impose separate student penalties according to its own policies and practices in matters related to discipline and academic integrity.
- 4. Disciplinary issues will be reported and addressed according to published college policy. ISD employees who are not also employed by MCC may contact the Associate Director, Accommodations and Title IX, or the High School Pathways office for guidance in reporting an issue.
- 5. The ISD will notify MCC of student behavioral issues that would impact a dual credit course, particularly in regards to matters concerning student safety. Please refer to section XXVIII Campus Assessment Response and Evaluation (C.A.R.E.) for *safety* purposes.

6. In the event ISD disciplinary measures prevent a dual credit student from attending an MCC course, the student, ISD, and MCC will consult regarding possible outcomes. If the student's absences will exceed 25% of course meetings, and if no satisfactory alternative can be found, the student will be withdrawn from the MCC course for disciplinary reasons.
7. In the event a conduct or academic-integrity-related visit to the high school is needed, the ISD will facilitate a meeting between the student(s) in question and the appropriate MCC personnel. The MCC personnel will be expected to comply with the standard ISD visitor screening process.

XV. Course Curriculum, Instruction, and Grading

1. The MCC Division Chair of the program area oversees instructional content for college courses taught for dual credit.
2. MCC shall ensure that a college course offered for dual credit at the high school and the corresponding course offered at the College are equivalent with respect to the curriculum, contact hours, course maximum, materials, instruction, and method/rigor of evaluation of student performance, regardless of student composition of the class. [TAC 19, Part 1, Chapter 4, Subchapter D, §4.85 (f)]
3. All MCC instructors must have a syllabus on file which incorporates the policy and procedure for learning outcomes, grading policies, and disability services.
4. Instructors shall follow MCC grading policies for awarding college credit.
5. Faculty will participate in providing information for the assessment of student learning outcomes as required by the Southern Association of Colleges and Schools Commission on Colleges. This includes, but is not limited to, the submission of summary scores/data where such information is needed for evaluating departmental success and the submission of student work for secondary evaluation by the division to ensure that relevant learning outcomes are achieved in any given course.

XVI. Grade Reports, College Credit Courses

1. MCC will provide final grade reports for dual credit students each semester following the conclusion of the final exam period.
2. Grades may be reported via an unofficial college transcript that provides information regarding courses, letter and numeric grades, and cumulative GPA *or* by delivery of a report summarizing grades for each high school.
3. A minimum of two progress reports will be provided by MCC during each fall and spring semester for dual credit students. Reports will be sent to the high school counselor or designated dual credit contact for the ISD.

- a. Grade reports are compiled through an automated process that queries the Brightspace gradebook for each course. Grade reports may not be accurate for certain students/courses if course assignments are in process of being graded.
- b. MCC recommends that high school counselors complete an academic wellness check with any student identified as having a low course grade to verify student status in a course.

XVII. Transfer of Courses

McLennan Community College is fully accredited by the SACSCOC, and basic academic, general education courses are readily transferable to other public institutions of higher education in Texas. However, since each college has its own policy regarding the transferability of courses, students are strongly advised to check with the college they plan to attend after high school, other than MCC, in order to determine the transferability of MCC courses.

CTE/Workforce education courses are not designed for transfer beyond the community college level. However, programs exist at some universities that allow these courses to be applied directly to baccalaureate degree requirements. Students are encouraged to check with prospective universities concerning programs such as the BAAS, BAT, and other similar programs.

Dual credit courses offered through the MCC Continuing Education department are not expected to transfer to another institution of higher education.

XVIII. Academic Regulations, College Credit Courses

1. An MCC class minimum of fifteen (15) students is deemed necessary for a dual credit-only course section. Any exceptions will be approved by the Vice President of Instruction.
2. MCC courses offered as dual credit, regardless of where they are taught, follow the same college calendar, syllabus requirements, course outline, grading procedure, and other instructional and evaluative policies and procedures. [TAC 19, Part 1, Chapter 4, Subchapter D, §4.85 (g)(1)]
3. The Texas Education Code and SACSCOC do not allow for outside influence on college grading systems.
4. Letter grades are given in accordance with policies printed in the college catalog. Whenever possible, numerical grades will be provided to the high school counselor by the High School Pathways Office. Dual credit grades will be provided to the ISD each semester the week following final exams.
5. In the event of a grade dispute, the MCC policy for grade appeals will be followed. Please see the MCC catalog and/or the *Highlander Guide*.

6. Per MCC policy, students who do not participate in a course by the census date will be dropped from the course by the professor.
7. Dual credit students may withdraw from a course and receive a grade of "W" at any time during the semester on/prior to the MCC official withdrawal deadline specified in the College Calendar located in the class schedule or catalog. After the MCC official withdrawal deadline, dual credit students will follow published MCC policy in regards to withdrawing from courses and the grade recorded for such courses. It is the student's responsibility to officially withdraw from a course or verify that the instructor initiated the withdrawal procedure.

XIX. Attendance and Funding

1. Students enrolled in college credit courses will follow current MCC attendance policies. Attendance will be taken at MCC based on the published College Attendance Policy.
2. State funding for college courses offered for dual credit will be available to both the ISD and MCC based upon current funding rules of the State Board of Education and the Texas Higher Education Coordinating Board. [TAC 19, Part 1, Chapter 4, Subchapter D, §4.85 (i)(1)]

XX. Classroom Facilities and Technology

1. The ISD agrees to provide MCC faculty and dual credit high school students with the facilities and technology necessary to support a college learning environment.
2. The high school or ISD will ensure MCC faculty and the dual credit students have access on ISD devices and through ISD Internet service to MCC email, Brightspace, Zoom, MyMCC, the MCC Library, and other software programs approved by MCC for campus-wide use.
3. Dual credit students regularly need access to devices capable of running online exam monitoring programs and devices and/or Internet access unrestricted by the ISD internet filter. In addition, some courses may require audio or video recording capability. Such access is vital for academic integrity measures, Internet-based course materials, research, and course projects. Student resources are available on the MCC campus to fulfill such needs should the student choose to implement them.
4. MCC recommends the ISD assign students enrolled in online dual credit courses to a computer lab with a facilitator for at least one class period per day.

XXI. Data Sharing

Student records transferred between MCC and the ISD shall remain the sole property of the institution that created the records. Data that is transferred must be used consistent with the

Family Educational Rights and Privacy Act (FERPA), HIPAA, and ISD and MCC policies and procedures for managing student education records and other confidential information.

The Parties expressly understand that MCC and the ISD are subject to the requirements of the Texas Public Information Act. In the event that any student records must be released pursuant to state or federal law, as determined by a court or administrative agency with jurisdiction over the matter, the Parties shall continue to treat a confidential any student records received or created under this Agreement except to the extent specifically required by the court or administrative order. The Parties shall mark as “CONFIDENTIAL” all records that are released.

Additional details related to data sharing are specified in a separate, data sharing section of this agreement.

XXII. Indemnity and Liability

1. Neither Party hereto will be liable or responsible to the other for any loss or damage, or for any delays or failure to perform (other than the performance of payment obligations), due to causes beyond either Party’s reasonable control, including but not limited to acts of God; flood; fire; earthquake; explosion; order, requisition, or necessity of the government; war, invasion or hostilities (whether war is declared or not); terrorist threats or acts, riot, or other civil unrest; regional or national emergency; revolution; insurrection; epidemic or pandemic; lock-outs, strikes or other labor disputes (whether or not relating to either Party’s workforce); restraints or delays affecting carriers or inability or delay in obtaining supplies of adequate or suitable materials; telecommunication breakdown or power outage; and/or any other circumstances of like character. Should performance of any obligation (other than any payment obligations) created under this Agreement become illegal, impossible, impracticable, not reasonably possible, or if a Party is otherwise prevented or hindered from complying by a force majeure incident as described in this section or any other cause not enumerated herein but which is beyond the reasonable control of the Party whose performance is affected, then the performance of any such obligation is suspended during the period of, and only to the extent of, such prevention or hindrance, provided the affected Party provides reasonable notice as soon as practicable (within 45 days) following an event of force majeure and exercised all reasonable diligence to remove

the cause of force majeure.

XXIV. Miscellaneous

1. Both parties agree to have a spirit of cooperation and to endeavor to provide a positive collegiate-level experience for those high school students with the maturity and academic preparation to be successful in college-level courses.

3. This Agreement may only be modified in writing signed by both parties.
4. This Agreement will become effective on the date the last party executes it and will remain in effect until either party decides to terminate same. Either party may terminate this Agreement without cause by giving the other party notice in writing at least thirty (30) days before the beginning of the first day of the MCC semester or ISD semester, whichever is earlier.
5. Nothing herein shall waive the parties' immunity to suit or liability as established by applicable law.
6. The parties to this Agreement are not in a joint venture, partnership, or otherwise.
7. This Agreement shall be governed by the laws of Texas.
8. All parties to this Agreement agree to abide by and comply with all applicable laws regarding student privacy including, but not limited to, FERPA.

10. MCC is aware and acknowledges that the ISD (a public entity) is subject to constitutional and statutory limitations on its ability to enter into certain terms and conditions of the agreement, which may include those terms and conditions relating to: liens on the school property; disclaimers and limitations of warranties; disclaimers and limitations of liability for damages; waivers, disclaimers, and limitations on legal rights, remedies, requirements, and processes; limitations of time in which to bring legal action; granting control of litigation or settlement to another party; liability for acts or omissions of third parties; payment of attorney's fees; dispute resolution; indemnities; and confidential information. XXV. Other Agreements with the ISD

This agreement does not apply to other agreements between MCC and the ISD.

XXVI. Accommodations/Disabilities

Dual credit students who qualify for accommodations in order to have proper access to meet course requirements due to a documented disability should contact MCC Accommodations and Title IX office as soon as possible. Dual credit students are required to complete the process for requesting accommodations. This includes completing the registration form in MyMCC, submitting documentation for the diagnosed disability, and attending an interactive meeting with the MCC Accommodations Coordinator. When granted, accommodations will be made viewable to students and faculty. Faculty may review accommodations by accessing their roster via MyMCC, and students may review their accommodations under the Student Accommodations tab in MyMCC. The student should then communicate with instructors regarding granted accommodations. Instructors are not required to provide classroom accommodations to students until appropriate verification from MCC Accommodations Coordinator has been provided. Note that accommodations may differ between the high school and college. For additional information, please visit mclennan.edu/disability.

Students with questions or who require assistance with disabilities involving physical, classroom, or testing accommodations should call, email, or visit the office:

disabilities@mclennan.edu

254-299-8122

Student Services Center Room 319

MCC policies related to accommodations will apply to students enrolled in dual credit courses. In appropriate circumstances, MCC and the ISD may collaborate to provide accommodations to dual credit students.

In the event a Title IX-related visit to the high school is needed, the ISD will facilitate a meeting between the student(s) in question and the appropriate MCC personnel. The MCC personnel will be expected to comply with the standard ISD visitor screening process.

XXVIII. Campus Assessment Response and Evaluation (C.A.R.E.)

The mission and purpose of C.A.R.E. at MCC is to promote the overall safety of its students and college community and will address situations in which a student may be of harm to self or others. C.A.R.E. will reach out to students of concern to assess the level of risk stratification in order to triage appropriately by: developing strategies for reducing various risk(s), implementing strategies, and monitoring the student's circumstances to ensure safety for both students and MCC campus as needed.

In the event that a dual credit student is referred to C.A.R.E. by an ISD employee due to concerns of safety, MCC C.A.R.E. shall:

- a) Contact the dual credit student to introduce program and explain the role of a C.A.R.E. Case Manager, what to expect (including privacy to the extent possible), and information about eligibility and length of services.

Part 99, in order to protect the privacy of students’ education records and afford parents and eligible students (i.e., students who are 18 years of age or older or attend an institution of postsecondary education) the right to access student records.

Section 4.0 Data

For the purpose of this Agreement, the definitions of “directory information,” “education records,” and “personally identifiable information” are set out in 34 C.F.R. § 99.3. The Parties agree and represent that the information shared under this Agreement is narrowly tailored to meet the applicable exceptions set out in Section 5.0, below.

Section 5.0 Applicable FERPA Provisions

5.01 MCC obtained written consent to exchange student records with the ISD. (§99.30)

The Dual Credit Schedule Request form completed and signed by the student each semester includes a notice that the student signature authorizes exchange of educational records between MCC and the student's high school. Copies of completed Schedule Request forms are maintained in the student's MCC digital record.

5.02 The exchange of student education records between MCC and the ISD also falls under an exception to the FERPA written consent rule. (§99.31)

"The disclosure is to officials of another institution of postsecondary education where the student seeks or intends to enroll or where the student is already enrolled so long as the disclosure is for purposes related to the student's enrollment or transfer." (AACRAO 2012 FERPA Guide, pp. 16-17).

Section 6.0 FERPA Confidentiality and Data Governance Provisions

The Parties agree to comply with the Family Educational Rights and Privacy Act, 20 U.S.C. § 1232g, and the implementing federal regulations, 34 C.F.R. Part 99. Each Party agrees to protect with reasonable data security procedures any confidential student information it receives or accesses that

could make a student's identity traceable. Each Party agrees that the data shall be treated as FERPA-confidential and in accordance with this Agreement regardless of which Party possesses the data.

The Parties are authorized to use data obtained under this agreement for the purposes of student enrollment, transcription of college and/or high school course credit, and assessment of MCC high school GPA-based scholarship awards.

Section 7.0 General Terms Applicable to All Access

- a. The Parties each individually and collectively represent that under all terms of this Agreement the disclosure of education records is for an education purpose and the access is narrowly tailored to permit disclosure of PII and education records only as essential to carry out the terms of the dual credit and scholarship programs.
- b. Each Party agrees individually that it and its employees and authorized representatives who access information pursuant to this Agreement will use the information only for the purpose(s) expressly authorized under the Agreement and shall not use or disclose the information for any other purpose except by written amendment to this Agreement. This Agreement further expressly prohibits "unauthorized look-ups."
- c. Each Party individually agrees to allow access to PII only to those individuals employed by the ISD with a need to know.
- d. The Parties represent that they will ensure that each individual who is able to access PII is expressly informed of the limitations on the right to access and use the PII. The Parties represent that they will immediately terminate access to PII and have the right to discipline any authorized representative who fails to comply with this Agreement or otherwise violates FERPA.
- e. The Parties represent that they will not redisclose any data or PII governed by this agreement without express permission from the party that provided the original data.

Section 8.0 Breach

Any breach of this Agreement leading to unlawful disclosure of education records or PII that is covered under 20 U.S.C. § 1232g and its implementing regulations in 34 C.F.R. Part 99 constitutes a material breach of this Agreement and constitutes cause for immediate termination by MCC.

Section 9.0 Termination

Either party may terminate this agreement without cause upon fifteen (15)-days written notice. Any unlawful disclosure of information covered by the Agreement, including by data security incident or breach, shall constitute a break of this Agreement and cause for any party to immediately terminate the Agreement, as set out in Section 9.0. Any duty of confidentiality as to FERPA-protected information at any time subject to the Agreement shall survive this Agreement notwithstanding termination of this Agreement.

Section 10.0 Amendment

This Agreement may be modified only by written amendment executed by the Parties hereto. No amendment shall be effective except upon final signature of all parties. This Agreement, and executed amendments hereto, constitutes the final and exclusive agreement of the Parties.

College Preparatory Mathematics and English Language Arts Courses

McLennan Community College partners with local school districts for College Preparatory courses through agreements with third party vendors. The college has signed an MOU with Texas College Bridge and thereby supports compliance with House Bill 5 in this manner. School districts wishing to utilize the Texas College Bridge program for this purpose should contact the program at texascollegebridge.org to request a partnership contract for the district.

Student scores and/or completion certificates from the Texas College Bridge program may be delivered digitally to the College to be utilized to determine readiness for college courses and to determine appropriate placement. TSIA scores are not necessary to determine college readiness for students who complete the Texas College Bridge program successfully and satisfy the requirements detailed in the Texas Administrative Code.

- The student will be exempt related to the content area of the Texas College Bridge certificate for a period of 24 months from the date of high school graduation.
- The student will enroll in the first college-level course in the exempted content area in the student's first year of enrollment at MCC.

(TAC, Title 19, Part 1, Chapter 4, Subchapter C, Rule §4.54)

School districts that adopt a course from a provider approved by the Texas Education Agency, other than Texas College Bridge, should contact Dr. Londa Carriveau (lcarriveau@mclennan.edu) to request MCC evaluate the provider/course for potential inclusion in the College Prep portion of this partnership agreement.
