

Patient Care Technician

Patient Care Technicians are healthcare professionals who provide direct patient care within their regulated scope of practice. Prepare for the National Certified Patient Care Technician Test through classroom and clinical experience at MCC. Learn to perform basic nursing assistant tasks (as delegated by the nursing or medical staff), communicate with healthcare team and patients, assist with activities of daily living (ADLs), comply with confidentiality requirements, and perform EKGs and phlebotomy tasks.

What You'll Learn

- Direct patient care
- Assisting and performing phlebotomy procedures
- EKG procedures
- Safety and infection control
- Professional responsibilities of PCT

What You'll Get

- Classroom and clinical experience
- Preparation for the National Certified Patient Care Technician Test

Admission Requirements

- Texas statewide criminal background check (within 30 days before class start date)
- Drug screening (at least 10 panel or more, within 30 days before class start date)
- Must be a high school student, have a high school diploma, or GED

McLennan Community College does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs or activities. The following person has been designated to handle inquiries regarding the nondiscrimination policies: Drew Canham, Vice President of Student Success, 1400 College Drive, 254-299-8645, titleix@mclennan.edu.

A lack of English language skills will not be a barrier to admission to and participation in career and technical education programs.

McLennan Community College no discrimina a ninguna persona independientemente de la raza, color, origen nacional o étnico, género, discapacidad, o edad en sus programas, actividades o empleo. Para obtener información sobre el cumplimiento de esta política de no discriminación por parte de la institución, comuníquese con el siguiente administrador: Drew Canham, vicepresidente Éxito Estudiantil, 1400 College Drive, 254-299-8645, titleix@mclennan.edu.

La falta de conocimiento del idioma inglés no será un impedimento para la admisión y participación en programas de educación técnica y profesional.

For students in this course who may have a criminal background, please be advised that the background could keep you from being licensed by the State of Texas. If you have a question about your background and licensure, please speak with your faculty member or the department chair. You also have the right to request a criminal history evaluation letter from the applicable licensing agency.
