Medical Information

My signature below indicates that I have read the information on bacterial meningitis.

_________________________________  _____________________________  _____________
Signature  Date

Correct at time of printing.
Symptoms of bacterial meningitis include:

- High fever
- Rash or purple patches on skin
- Light sensitivity
- Confusion and sleepiness
- Lethargy
- Severe headache
- Vomiting
- Stiff neck
- Nausea
- Seizures

There may be a rash of tiny red-purple spots caused by bleeding under the skin. These can occur anywhere on the body. The more symptoms, the higher the risk, so when these symptoms appear, seek immediate medical attention.

Diagnosis is made by a medical provider and is usually based on a combination of clinical symptoms and laboratory results from spinal fluid and blood tests. Early diagnosis and treatment can greatly improve the likelihood of recovery.

The disease is transmitted when people exchange saliva (such as by kissing, or by sharing drinking containers, utensils, cigarettes, toothbrushes, etc.) or come in contact with respiratory or throat secretions.

Possible complications of the disease include:

- Permanent brain damage
- Kidney failure
- Learning disability
- Hearing loss, blindness
- Death (in 8 to 24 hours from perfectly well to dead)
- Limb damage (fingers, toes, arms, legs) that requires amputation
- Gangrene
- Coma
- Convulsions

The disease can be treated with antibiotics, which – if received early – can save lives and increase chances of recovery. However, permanent disability or death can still occur. The vaccines available are safe and highly effective.

You can get more information about bacterial meningitis from your health care provider or the Waco-McLennan County Health District at 254-750-5410.

Important Bacterial Meningitis Information

New and transfer college students must be immunized against bacterial meningitis before attending classes, according to the Jamie Schanbaum and Nicolis Williams Act passed by the Texas Legislature.

All incoming freshmen, transfer students, and returning students who did not attend McLennan in the previous long semester (fall or spring) are required to show proof of immunization against bacterial meningitis. The law does not apply to students age 22 and over or to students who are enrolled only in online classes.

McLennan students who are required to have the vaccination will not be allowed to register until they provide proof of immunization to Highlander Central in the Enrollment Services Center.

Documentation showing that the student has received the immunization within the last five years must be provided at least 10 days prior to the first day of the semester in order to register for classes. Students must submit one of the following in order to be cleared for registration:

- the signature or stamp of a physician (or his/her designee) or public health personnel on a form that shows the month, day, and year the vaccination dose or booster was administered.
- an official immunization record generated from a state or local health authority.
- an official high school or college transcript that includes documentation of immunization provided by school officials (including records from other states).

After submitting proof of immunization, there will be a waiting period to allow for the processing of immunization information before a student will be cleared for registration.

Getting the Immunization

Students should get the bacterial meningitis vaccination from their primary care physicians.

Students who are already established patients with Family Health Center clinics can get the vaccination anytime during regular business hours: 8 a.m.-5 p.m., closed from noon to 1 p.m. for lunch. Appointments are not necessary. Please call 254-313-5800 for more information.

About Meningitis

Bacterial meningitis is a serious, potentially deadly disease that can progress extremely fast. It is an inflammation of the membranes that surround the brain and spinal cord. The bacteria that cause meningitis can also infect the blood. This disease strikes about 1 in 20,000 people each year with the highest incident rate in 16-25 year olds. There is a treatment, but those who survive may develop severe health problems or disabilities.

IMPORTANT: You will NOT be allowed to register without proof of immunization if the requirements apply to you.
NOTE: All files must be completed by July 1 for the fall semester and November 1 for the spring semester.

Please print clearly.

Revised May 2019
New International Student Statement of Understanding

Please read the following statements carefully. You must agree to each statement before being considered for admission to McLennan Community College.

I understand and agree that:

1. I must make my own arrangements for housing. McLennan Community College does not offer on-campus housing.
2. I must provide my own insurance coverage while enrolled at McLennan Community College. The College does not require nor provide insurance.
3. I have read and understand all admission procedures. I understand that all documents and materials relating to my admission should be sent to the McLennan Community College International Student Office.
4. My original application and materials are valid for only one year.
5. If my complete application arrives after the final deadline of the intended semester, my admission will be considered for the following semester.
6. If I am successful in gaining admission and a Visa, I must arrive at McLennan Community College on or before the date specified on my I-20, but no earlier than 30 days prior. If I cannot arrive on time, I must request that my application be considered for the following semester.
7. I agree to take a minimum of 12 credit hours the first semester of enrollment and subsequent fall and spring semesters until my studies are complete. Nine of my 12 hours each semester must be face-to-face classes.
8. I must notify the International Student Advisor within 10 days of changes to any local address, phone number, email, or other changes by submitting a change of address form.
9. I must not drop below 12 hours in a fall or spring semester. If I feel I may need to drop below 12 hours, I must contact the International Student Advisor. I understand that failure to do so will result in my immigration status being terminated.
10. I must inform the International Student Advisor before the official 12th class day of the fall or spring semester of concurrent enrollment at another institution.
11. I must keep my I-20, Visa, and Passport valid at all times.
12. After registering for classes, I agree to make payment by the designated deadline for that semester.
13. I understand that F-1 students are not authorized to work off campus.
14. I must read and comply with the instructions stated on page 2 of the Form I-20.
15. All new international students (including transfers) are required to attend International Orientation held the week before classes for the fall and spring semesters. Those who do not attend will have a hold placed on their student record requiring them to schedule a one-on-one meeting with the International Student Advisor.

I understand that it is my responsibility to maintain my legal non-immigrant status in the United States and follow all policies and procedures set forth by McLennan Community College. If I fail to do so, I will be reported to United States Citizenship and Immigration Services through the SEVIS database within 21 days of a violation.

Revised May 2019
Consent for Retrieval of I-94 Record

F-1 students,

The I-94 is an official U.S. government record of when you enter and depart the United States. Your I-94 record confirms what immigration status you entered the United States in, and the duration of time you can legally remain in the U.S. It is possible that during your time at McLennan Community College you may want us to retrieve this record to assist you in your application for visa benefits or for other administrative functions. Please indicate below whether you give us consent to act on your behalf to retrieve your I-94 record.

For more information, please visit: [www.cbp.gov/travel/international-visitors/i-94-instructions](http://www.cbp.gov/travel/international-visitors/i-94-instructions).

Thank you.

Please select one of the following statements:

- I give consent to McLennan Community College’s Designated School Officials, or their designees, to enter information into the U.S. Customs and Border Protection (CBP) Nonimmigrant Information System (NIIS) for the purpose of obtaining my I-94 arrival and departure record. This consent will remain valid as long as I am a student at McLennan Community College.

- I do not give consent to McLennan Community College’s Designated School Officials, or their designees, to enter information into the U.S. Customs and Border Protection (CBP) Nonimmigrant Information System (NIIS) for the purpose of obtaining my I-94 arrival and departure record. I will provide the International Student Office a copy of my I-94 record upon my arrival at McLennan Community College, and upon request for the duration of my time as a student at McLennan Community College.
