## What Precautions are Being Taken?

- We will follow guidance from the U.S. Centers for Disease Control and Prevention, as well as state and local officials.
- Larger classes that meet face-to-face will be split in half, to allow social distancing. Instructors will provide more information about how this will work.
- Support services will be available, including the Library, Academic Support and Tutoring, and Highlander Central.
- Face coverings will be required on campus.
- Classrooms will be cleaned daily and sanitizing supplies will be available.
- We have added plexiglass barriers and social distancing markers in common areas.
- For more information, visit the [MCC & COVID-19 page](#).
