3. Click the **Zoom installer box** (in the bottom left corner). If that does not pop up, click **download here**.

4. Type your **name** in the text box that pops up. We recommend typing your first and last name.

5. If your device has audio capabilities, click **Join with Computer Audio**.

Note: If your device does not have audio capabilities, you will have to use a mobile device or landline phone to call in and hear the discussion, while you participate in the Zoom session. In this case, you could click **Phone Call** and have to dial the number provided.

6. You should then be able to join the Zoom room. In the bottom left of the Zoom window, you can turn video off/on and you can also mute/unmute your screen.
