

## Navigating Brightspace

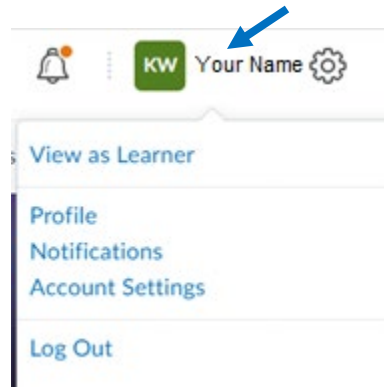

- The page you see when you log in is called the **Home Page**.

- In the top, right part of the screen, you will see some buttons. See below to find out what each button does when clicked.

- To update your profile, update your notification preferences, or change your account settings, click on your name and then select what you wish to update.

- To get back to the home page of your course, click on the course name (in the upper, left corner of the screen).

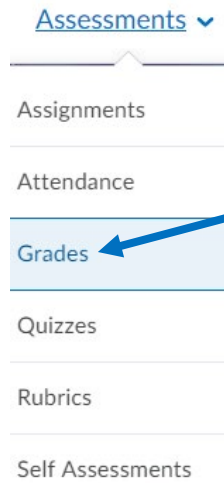

- To get back to the *main* home page, click on the Home icon.

- The bar along the top of the screen is called the Nav bar. A Nav bar will be visible on every page you visit. It can quickly get you to important areas of the course, such as announcements, content, discussions, or assessments.

- To check your grades, click on **Assessments** and then **Grades**.

- To view the content (where the instructor will put the lessons/information about the course), click on **Content** in the Nav Bar.

- After clicking on a content topic, you can navigate from one page to the next by clicking the forward and back arrows.

You can also navigate through pages by clicking the arrow (to the left of the topic). This will expand and list the topics found within that module or folder.
