Low-Enrollment  
Certificate Program  
Review

The College President shall develop procedures for reviewing certificate programs with low enrollment that may require consolidation or elimination. The criteria for review must require that certificate programs have specific industry data to substantiate workforce demand to avoid consideration for consolidation or elimination. The College President shall conduct a review once every five years.

The Board shall approve or deny any decision made by the College President to consolidate or eliminate a certificate program as a result of the review.
