							Taxes paid to MCC prior year	Taxes to be paid under proposed rate	Difference	Percent difference
If the college is hurting for money then they need to seek an alternative budget to suit their own finances instead of sucking taxpayers dry. Raise the damn rates for the schooling and EARN THE REQUIRED FUNDS FOR OPERATION!! Requiring me to foot the bill is unjustified and an abuse of my hard work. I find it a complete lack of responsibility of the directors ability to maintain a proper budget to sustain operations.	+1 (817) 879-0220	jonbmyers@yahoo.com	10616 GRANADA DR WACO, TX 76708	true	2022-08-04T01:18:15.585Z	353332	\$188.26	\$174.80	-\$13.46	-7.15%
I am in my 70's and should not be paying any taxes what so ever not even this amount! =\$37.08	+1 (254) 640-5753	pbaj1969@gmail.com	502 BOWIE AVE MART, TX 76664	true	2022-08-04T19:24:08.286Z	133003	\$50.44	\$38.94	-\$11.50	-22.80%
I am in opposition to the proposed tax increases. We should not raise taxes on the burdened middle class when there is hyperinflation. We are just striving to survive. My county tried to raise the value of my home to 690,000 dollars, but they got away with 490,000. When will this end.?	+1 (254) 855-9058	pilotwkl@att.net	883 N ROCK CREEK RD CHINA SPRING, TX 76633	true	2022-08-06T19:04:36.132Z	107358	\$432.57	\$415.97	-\$16.60	-3.84%
Texans voted and was given \$40,000 homestead which brings my property's taxable value to \$41,000 not the\$55,000 figure. I expect that the law should be followed. I expect that my \$40,000 homestead exemption be honored. I expect that I will only be taxed for \$41,000 for property taxes. We are going into a severe recession, and very likely, a total depression. It was city greed that created this situation and now you can take responsibility for it.	+1 (254) 761-0468	snowberryheartsong@gmail.com	2300 HOMAN AVE WACO, TX 76707	true	2022-08-07T17:09:49.214Z	186130	\$88.67	\$77.05	-\$11.62	-13.10%
