## Project Summary:

- Cameron Hall and Courtyard:
  - Major structural damage to the 100 year-old Cameron House forced a sudden closure of the building in 2017.
  - Renovation is not financially practical and there are many unknown issues present.
  - Project includes:
    - Construction of a new 8,200 square foot building to replace the existing Cameron House.
    - Restoration of the historic courtyard.
