

BREAK THROUGH.

February 8, 2023

Dear Dr. Hills:

On behalf of the sabbatical leave committee, I am pleased to recommend Angela Mathis for sabbatical leave during the spring semester of 2024. The committee would like to commend Angela for her well-developed plan outlining research that shows tangible benefits to students in multiple programs, both now and as professionals. Investing in future nurses benefits both the college and the community. The sabbatical leave committee would like to wish Angela all the best as she completes her Doctor of Nursing Practice.

Sincerely,

Mandy Morrison
