Good Afternoon Dr. McKown,

Below is my report for the conference:

I had a great time last week at the ACCT Conference. The conference was well attended and well presented. Each section was very informative and allowed plenty of engagement for all of us that attended. I especially enjoyed the section titled "What I Wish I Knew". The training on Legislature on the second was very beneficial! I enjoyed meeting Trustees and Presidents from all over the nation. I have even connected with several and look forward to seeing them at our next conference.

Please let me know if you need anything else from me.

Thank you,

-Ilda Sabido
