I began my higher education journey as a non-traditional student at the age of 40. McLennan Community College, along with my professors, catalyzed my love of education. After graduating, I transferred to Texas Tech University via the University Center at MCC. I graduated Summa Cum Laude from Texas Tech University (2018) and subsequently earned my master's degree from the University of South Florida (2020). I am a business owner in the Central Texas area, a Waco native, and an active volunteer. McLennan Community College changed my life, and I would like to give back by serving the students, staff, and administration of the college, and the citizens of McLennan County. McLennan Community College holds a special place in my heart, and I am eager to bring my experiences and commitment to the betterment of the college community.
