**Quote Comments:**

*\* Wenger is an approved vendor for Region 4 ESC/OMNIA Partners, Public Sector. All items on this quotation are available through Contract #R191204. This contract is in effect through 10-31-2024. Payment shall be made after satisfactory performance, in accordance with all the provisions thereof, and upon receipt of a properly completed invoice. All transactions, purchase orders, etc. will occur directly between the Supplier, authorized distributor/dealer, general contractor, as agreed to by each Participating Public Agency.*

**Add Option for Structural Engineering Stamps: \$1,500.**

**Reference:**

- \* Price includes field measurements and one mobilization for delivery with installation at the time of delivery through 2025. Demonstration and training to take place at the time of installation.*
- \* Wenger Drawing 22P18527 Rev 1 dated 9.29.22*
- \* Wenger Maestro Acoustical Shell Technical Sheet*
- \* Price based on standard Wenger construction and finishes.*

**CLARIFICATIONS**

- =====
- \* Price includes standard Wenger Class "C" fire-rated construction. If Class "A" fire-rated construction is required, additional charge will apply.*
  - \* Price does not include any building permits that may be required.*
  - \* Any PE stamp that may be required has not been included in this quote; one can be added per request for an additional charge.*
  - \* Wenger Corporation is committed to providing mindful products for a healthier environment. At this time, Wenger is focused on delivering quality products to our customers as unprecedented supply chain issues are overcome. Given these challenges Wenger is currently unable to provide LEED documentation for Wenger Corporation products. To view a full listing of Wenger Corporation's GREENGAURD GOLD Certified products please visit: <https://spot.ul.com/main-app/products/catalog/?keywords=wenger+corporation>*
  - \* Wenger Corporation does not participate in OCIP/CCIP because we have a flat rate general liability policy which does not offer any savings for participation.*

Cust #: 00066190

*\* Wenger full stage shells are long lead time products that generally require a minimum of 34-37+ weeks lead time after order, including 5+ weeks for submittals and then 17+ weeks for fabrication after successful completion of field measurements, receipt of signed and approved submittal drawings, and approved color choice/sample. Lead time varies and will be reevaluated at time of order contingent upon supply chain resiliency, and engineering and manufacturing capacities. Installation date can be confirmed only after successful completion of field measurements, receipt of signed and approved submittal drawings, and approved color choice/sample. Installation date is contingent upon change orders and site conditions conducive to installation of the product.*

*\* DWG files of the referenced drawings above are requested to be provided at time of order.*

*\* The Wenger Maestro Acoustical Shell finish: Wilsonart Compact Type 117 Finish Type 60 High Pressure Laminate*

*\* If Wenger is not installing a new rigging system, then the rigging must be certified to be capable of suspending the weight of the acoustical shell ceiling assemblies. Inspection, installation repairs, and modifications to rigging system are not included in this quoted price.*

*\* Light fixtures in acoustical shell ceiling panels are Wenger Lieto LED fixtures. The cable and related hardware to supply power to the terminal block is to be furnished and installed by others. DMX cabling and related hardware to supply control signal to the first LED fixture input on each ceiling is to be supplied and installed by others.*

*\* Any and all field electrical work and components not specifically quoted, including but not limited to wire and conduit, is to be furnished and installed by others.*

*\* The performance and storage areas must at all times maintain a consistent climate control. The temperature should be from 60 degrees Fahrenheit (15 degrees Celsius) to 80 degrees Fahrenheit (27 degrees Celsius), and the humidity level should not exceed 60 percent.*

*\* Wenger Maestro acoustical shells have a 2-year warranty.*

#### FREIGHT & INSTALLATION INFORMATION

*\* Wenger installation includes unloading of truck, assembly and install of product, and removal of debris by Wenger trained or supervised technicians.*

*\* Price includes installation only of furnished equipment.*

*\* Price includes DMX addressing and initial testing of Lieto fixtures. If Wenger is not providing the theatrical lighting controller, then soft patch and programming of Lieto fixtures on venue lighting controller is by others.*

*\* Price is based on ground floor installation that does not require use of stairs or elevator. If use of stairs or elevator is required, additional charges will apply.*

*\* In preparation for onsite work, the customer is responsible for preparing the space by removing any objects or materials that will limit access to the work area (i.e. curtains, scenery, lights, etc.), and all work areas must be properly illuminated for this work.*

*\* Customer is responsible for ensuring that there is not any occupancy/use of the space while crews are working overhead in the space.*

*\* Customer is responsible for providing someone familiar with the theater and its operation, who can assist in its operation, throughout the duration of the installation.*

*\* Work shall be performed during normal hours of operation, 7:00am-5:00pm Monday-Friday, unless prior arrangements have been made. If work outside of normal business hours is required, additional charges will apply.*

#### TERMS AND CONDITIONS

*\* Wenger Corporation expressly incorporates by reference all of the terms and conditions as specified at: ([www.wengercorp.com/terms-and-conditions.php](http://www.wengercorp.com/terms-and-conditions.php)) and makes them part of this quotation.*

*\* Pricing is for delivery and installation through 2025.*

*\* Price does not include Sales Tax. Please provide a copy of the tax-exempt certificate at time of order, otherwise tax may be applied.*

*\* Price does include Field Measurements.*

*\* Price includes ONE delivery with installation and demonstration of product at time of delivery. If customer authorizes delivery and jobsite is not ready to receive product and installation, customer shall be responsible for additional mobilization and other expenses. Any additional mobilization required due to no fault of Wenger will be additional charge via change order.*

*\* Pre- and/or post-construction meetings/information will be attended/exchanged telephonically or electronically between Customer and Wenger's project manager/coordinator. Wenger's project manager/coordinator shall keep in contact with*
