

# 2025-30 Strategic Planning December 2024

# 2025-2030 Strategic Plan Overarching Goal

---

*By 2030 McLennan Community College will increase fall to fall retention rates of first time in college students by 10%.*

# 2025-30 Strategic Plan Draft #1

# High Level Goals in Analysis

---

- Enhance Student Success and Support
- Promote Community Engagement and Workforce Development
- Improve Resource Support and Development

# Enhance Student Success and Support

---

- By supporting strategies to empower **first-generation students, low income students, adult learners, and students facing barriers** to success.
- By **aligning curriculum and learning outcomes** with educational and workforce pathways, needs, and trends.
- By **developing and enhancing credentials** to align and support workforce needs.

# Promote Community Engagement and Workforce Development

---

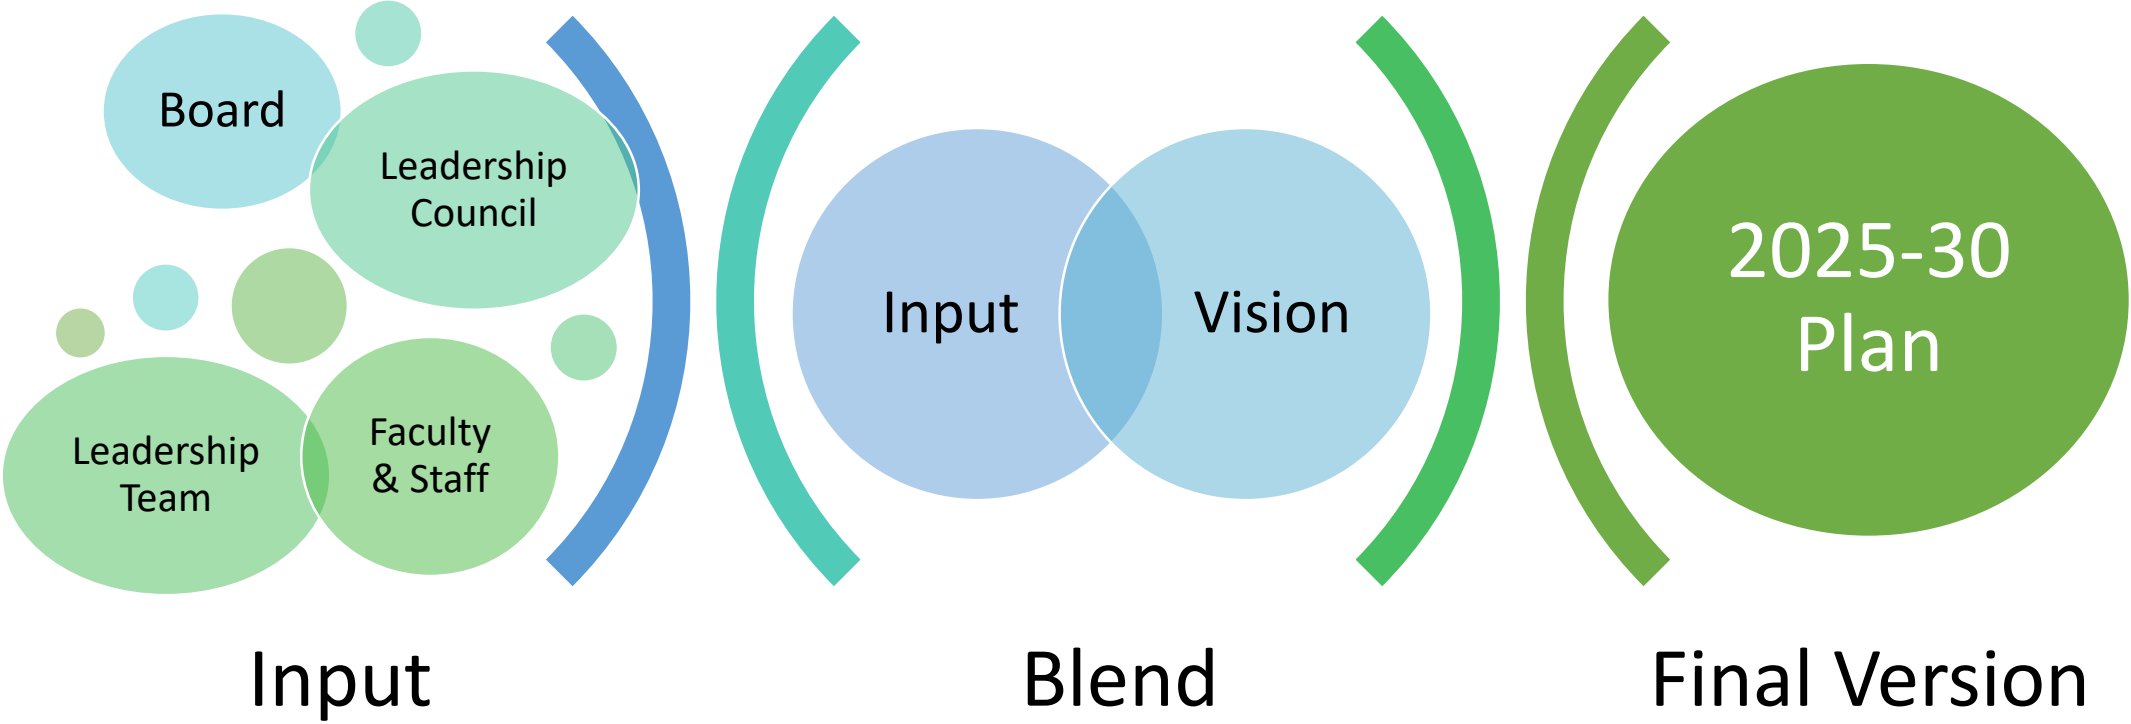

- By increasing the college's **visibility in the community.**
- By expanding **industry partnerships, apprenticeships, and internships** to align credit and non-credit programs with local workforce needs.
- By strengthening ties with local schools and organizations through **outreach programs and collaborative partnerships.**

# Improve Resource Support and Development

- By engaging in and investing in **technology** to enhance student learning, streamline processes, and improve efficiencies across the institution.
- By investing in **campus facilities** and **resources** to create and maintain a modern, safe, responsive, dynamic, and supportive learning environment both in person and through distance education.
- By building **employee excellence** through accountability, innovation, and professional development.

# Next Steps
