CLOSING REMARKS

Dr. Johnette McKown
President, McLennan Community College

The Associate in Arts (A.A.), the Associate in Science (A.S.), or the Associate of Arts in Teaching (A.A.T.) degree is awarded to students who complete the first two years of a four-year program. Students receiving an A.A., A.S., A.A.T. degree and being recognized as Highest Honor Graduates have maintained a 4.0 grade point average in all courses required to complete the degree.

The Associate in Applied Science (A.A.S.) degree is awarded to students who complete the requirements for a two-year workforce education program. Students receiving an A.A.S. degree and being recognized as Highest Honor Graduates have maintained a 4.0 grade point average in all courses required to complete the A.A.S. degree.

The Advanced Technology Certificate (ATC) is a certificate that has a specific associate or baccalaureate degree (or, in some circumstances, junior-level standing in a baccalaureate degree program) as prerequisite for admission.

The Certificate of Completion (CERT) is awarded to students who complete the requirements for a one-year workforce education program.

The Field of Study Curriculum (FOSC) is a set of courses that will satisfy the lower-division requirements for a baccalaureate degree in a specific academic area at a general academic teaching institution (university).
