Footnotes:

1 - See Tarleton Website for options for this core category: <https://www.tarleton.edu/generaleducation/core-categories/>

2 - Consult the Tarleton Catalog and current course schedule for Elective and Advanced Elective options. You may also contact your academic advisor for additional questions.

3 - Students must maintain a minimum 2.0 overall GPA in all upper-division work undertaken and a minimum grade of "C" or better in each course in the BBA core and major to remain in good standing.

4 - Advanced Business Electives should be selected from: ACCT, ADMS, BCIS, ECON, FINC, BUSI, BLAW, REST, MGMT, MKTG

5 - Prior Learning Credit: The BS in Applied Science (Business Administration Concentration) degree accepts technical/vocational coursework and/or training that is not directly related to business. The degree does not consider experiential credits in any discipline for credit. All technical vocational coursework and/or training must be prequalified by a BS AS Business Advisor and approved by the Interdisciplinary Degree Programs Committee for a minimum of 12 semester credit hours (SCH) and maximum of 33 SCH during the first semester a student is enrolled in coursework at Tarleton.

* Coursework or training validation is required in the form of transcripts, certificates of completion, employer training records, etc. provided they include the following information: Participant name, course(s) name, course description, date(s) attended, and hours completed or SCH earned (as indicated on transcripts). Training is converted to semester hour equivalents on the ratio of 15:1, i.e. 15 classroom hours training equals one (1) SCH equivalent.

6 - Electives: 0-21 hours depending on the number of Prior Learning Credits applied. The total credits combined for coursework, training and/or electives must total 33 SCH. Students must qualify with a minimum of 12 SCH equivalents of technical/vocational and/or training to pursue this degree program.
