**All applicants must be Texas Success Initiative (TSI) complete prior to entering into MCC Veterinary Technology Program.** Your TSI status is determined by MCC's Admissions upon processing of your complete transcript. TSI required testing is done at the MCC Testing Center (254) 299-8453. If it is determined developmental courses are needed, those courses **MUST** be completed prior to the MCC Veterinary Technology application deadline of June 15 of each year. If you have questions regarding your TSI status, contact the MCC Admissions Office at (254) 299-8628.
